

Dieringer School Board pos 5 Candidate Mark Pampe

IT IS TIME TO VOTE and I hope that this flyer will help you make a clear choice.

My opponent is the incumbent president. If you are happy with the **status quo**, you should vote for her.

I am not happy with the status quo and want to see a **restoration** of **academic focus**, **parental authority**, and **family values**. If you want to pursue the restorations described in this mailer, please vote for me.

Status quo:

- Politics-driven policy
- School/government authority over children
- Focus on Diversity-Equity-Inclusion (DEI)

Restoration:

- Family-focused policy
- Parental authority over children
- Focus on academics
- Equality of all

An example of each of these restorations is given on the back of this mailer, but the bottom line for me is this:

They are Your CHILDREN, teach them Your VALUES

My priorities, if elected:

- ❖ Recover learning loss from lengthy COVID shutdowns to see more than 80% of all students meeting ELA, Math, and Science standards. Dieringer scores show that 1/3 of students are failing: ➔
- ❖ **Review existing district Policies and Procedures to remove world view and ideological content.**
- ❖ Conduct a parent-led reevaluation of the FLASH Comprehensive Sex Education curriculum for biological-focus and age-appropriate content.
- ❖ **Adopt a resolution stating that parents are the primary stake-holder in their children's education, healthcare and development, and that secrets will not be kept from parents.**
- ❖ Adopt a resolution declaring all races equal and banning racially divisive curriculum.
