

CIRCULAR: RCS-COM-24-1001

Date: 1st January 2024

To: All Concerned Parties

Subject: Official Communication Channels for Royal Classification Society Certificates

To Whom It May Concern.

This circular is to inform all concerned parties that henceforth, all official certificates issued by the Royal Classification Society (RCS) must originate from our official communication channels. These channels are as follows:

1. Official Email Addresses:

info@rcsclass.org

tech@rcsclass.org

2. Contact Numbers:

+97144580845

+971585492260

Any certificate purportedly issued by RCS but sent through another party or from any other email or contact number is not considered valid.

Furthermore, to ensure authenticity and ease of verification, each official certificate will contain a unique QR code. This QR code serves as an additional layer of security and validation for our certificates.

It is imperative for all recipients of RCS certificates, including ship owners and managers, to verify the authenticity of certificates received. RCS will not be held responsible for the use of invalid certificates by any party.

We kindly request all stakeholders to adhere to this directive for smooth and legitimate communication and documentation processes.

Should you have any queries or require further clarification, please do not hesitate to contact us through our official channels mentioned above.

Thank you for your attention and cooperation.

Yours sincerely,

Royal Classification Society (RCS)
