

2024 Comfort Quilt Block

Our comfort quilt block for 2024 will be a scrappy friendship star pattern.

For one unfinished block (12.5" square) cut the following:

- 4 background corner blocks and 1 center block - 4.5" square
- HST blocks – cut 5" square. Sew $\frac{1}{4}$ " on either side of center diagonal line. Cut and trim to 4½".
- Sew blocks together as shown above

Desired color ways:

- Blocks for Comfort Quilt work night, - Light stars on a medium or dark background.

Make the star and the background both totally scrappy. With all those different fabrics and colors, we'll find something in the backing supply that will work!

- Make a quilt at home - It's all up to you! Use any color combinations of light and dark you want. You can have light stars and dark backgrounds or the reverse, or alternate blocks. Your stars and backgrounds can be one fabric or totally scrappy.
