

## The Term Word means: Logic, Wisdom, Plan, Purpose, Speech.

It is from the Greek word (Logos). Now if this is true let us look at John 1:1

John 1:1 In the beginning was the **Word**. And the **Word** was with God and the **Word** was God. The same was in the beginning with God.

John 1:1 In the beginning was the **Logic**. And the **Logic** was with God and the **Logic** was God. The same was in the beginning with God.

John 1:1 In the beginning was the **Wisdom**. And the **Wisdom** was with God and the **Wisdom** was God. The same was in the beginning with God.

John 1:1 In the beginning was the **Plan**. And the **Plan** was with God and the **Plan** was God. The same was in the beginning with God.

John 1:1 In the beginning was the **Purpose**. And the **Purpose** was with God and the **Purpose** was God. The same was in the beginning with God.

John 1:1 In the beginning was the **Speech**. And the **Speech** was with God and the **Speech** was God. The same was in the beginning with God.

The relationship of the Word to the Spirit is that of (Cause and Means). The Spirit is the force that is behind the Word. The Word is the means. But the Spirit is the force that is using the means.
