The group did decide to hold the 2<sup>nd</sup> annual Health & Safety Fair, on 9/14, after the citywide cleanup. Christina will be the primary contact for the Health & Safety Fair. Heather and Marcia will assist in the planning.

Marcia will order 50 shirts for the event.

We will need to reserve Locomotive Park, ask the band, RUN, if they are available to play during the event, find sponsors and vendors, and volunteers to help at the event.

The KC Care Home has had 5 occupants. One currently residing.

The KC van is running. Judy will create magnets to put on the van for visibility and advertising.

Donations are down. More visibility is needed.

Hooch's is sponsoring Kingman Cares every Sunday in July. A Portion of their sales go to KC.
