

Leave a Lasting Legacy

Bequests to the Foundation will assure future research funding to improve the health of our breed and to assist PBGV's in need of rescue.

OUR MISSION STATEMENT

The mission of the Petit Basset Griffon Vendéen Health and Rescue Foundation shall be to promote the welfare of the breed. This shall be accomplished by promoting and funding research into the health, care, and breeding of purebred Petit Basset Griffon Vendéens as well as by promoting through educational means the proper care of the breed and providing funding for the rescue of purebred Petit Basset Griffon Vendéens should they be neglected or abandoned.

The PBGV Health and Rescue Foundation is a non-profit 501 (c) 3 organization. All donations are tax deductible. The foundation is a separate organization from the PBGVCA, but works cooperatively with the parent club for the benefit of all PBGV's.

*Dedicated to the
Protection and Preservation
of the
Petit Basset Griffon Vendéen*

Bequests

Your bequest in a will or living trust is a simple way to help sustain the PBGV breed.

A bequest may take several forms:

It can be a specific sum, a percentage of your estate, or the remainder of your estate after expenses and gifts to loved ones.

Bequests can include:

Cash, securities, real estate, and personal property such as valuable art, antiques, or jewelry.

Living trusts may also include bequests:

The terms of a living trust, unlike a will, are effective immediately upon death, bypassing probate and keeping the terms of your living trust private.

By including the PBGV Health and Rescue Foundation in your will or living trust, you participate in promoting and funding research into the health of our breed, and by providing valuable assistance for the rescue of purebred Petit Basset Griffon Vendéens.

Participants receive special recognition in our annual report and announcements at special events.
