SEPTEMBER NEWS 2025

Happy Labor Day! We hope you have enjoyed the last long summer weekend before we officially make our way into fall. We have been incredibly lucky this year with an abundance of beautiful days to spend in our summer gardens.

We're getting ready for **September 9th** when we'll open our doors to a new season. The mum field is growing strong as always, and we're busy prepping the farm inside and out for your arrival on opening weekend.

UPCOMING EVENTS:

September 6th - Thrive Outside: Great Mud Escape

October 4th - Connor's Halloween Party

October 5th - Folk at the Farm

October 11th - SNE Giant Pumpkin Growers Weigh-off

We're looking forward to seeing you, and, of course, stocking you up with all of your Fall Favorites: *Decor, container gardens, family friendly activities, and more!* As always, we thank you for being a part of the Frerichs Farm family. We'll see you soon!
