# THE FLOWER SHACK

1268 Mt Olivet Church Rd, Franklinton, NC 27525

**919-671-5907**

**NOTE: Vegetable and Bedding Plants are usually available about the 3<sup>rd</sup> Week of March, as well as some Hanging baskets. After Frost Danger has past (about April 20 or so, we have a huge selection of Vegetable and Bedding Plants AND a Huge selection of large, beautiful Hanging Baskets. (Local Grown)**

We have always carried a huge selection of Encore Azaleas ® and Proven Winner ® Plants. The huge landscaping demand placed on all of our direct suppliers and large growers here in NC, and us, can at times cause a shortage of popular plants. We always try to expand our purchasing to ensure availability. If we don't have a particular variety plant, we can try our best to locate it. We purchase plants from East Tenn and all of North Carolina Growers to assure plants are acclimated to this area.
