Old Business

Spray bids

- Bids received: S N Weeds LLC and Rocky Mountain Weed and Pest Management
 - o Bids were reviewed and discussed on Nov. 30th, after the advertising period. After thorough discussion, concerns were raised about the availability of RMW&PM with weather and time being limiting factors for an out of area vendor. The board has been satisfied with S N Weeds the past two years, and appreciates their close proximity and flexibility.
 - o John McCray moved (Jim K. 2nd) to accept S N Weeds' bid. Motion carried

New Business

- None

Adjourned 6pm

Next meeting will take place in April
