

Tigard Safety Town

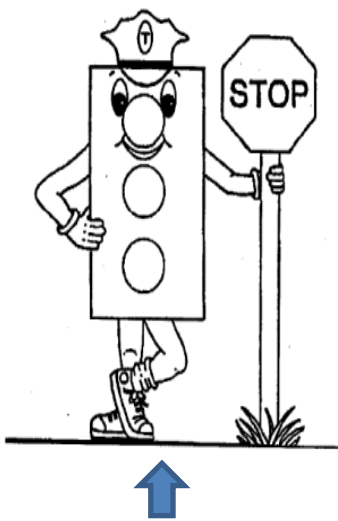

Volunteer Student Instructors Wanted!

(Students entering 7th, 8th or 9th grade in the Fall only please.)

Tigard Safety Town is looking for middle school students interested in a great volunteer opportunity. This June, for a 9 day session, you can help teach 5-6 year olds about safety. Through the use of skits, puppet shows, games, and a miniature town with Kettcar pedal cars, you can help these great kids learn about traffic safety, fire safety, and poison safety, among many other safety topics.

Your responsibility as a student instructor will be to lead a morning and an afternoon group of 5 kids through four activity stations. During the sessions, you will also do skits, help with puppet shows, and help your group listen to speakers.

The hours are 8:15 am through 2:45 pm, Monday through Friday. Safety Town is held at Mary Woodward Elementary School in Tigard. Please note, students applying must attend a Tigard-Tualatin School District school, or live in a 97223 or 97224 Tigard zip code to be eligible for this opportunity.

If you are interested, please complete the application and return it by April 24th. Late applications will not be accepted. Questions can be directed to Tanae Travis, Student Instructor Coordinator, at 503-807-6046, or Tanaerian@gmail.com
