

# HURRICANE SEASON

## ISLAND MOORINGS MARINA SLIP HOLDERS

June 1<sup>st</sup> Hurricane Season begins. This is the time to begin your preparations.

**CONDITION 5:** Hurricane Season begins.

- Check your lines, chafing gear and fenders. Ensure ALL are in good condition.

**CONDITION 4:** A Tropical Depression, Storm, or Hurricane is within a **1200 mile radius** of Island Moorings Marina.

**Note: Progression of Condition 4 to Condition 1 can happen swiftly.**

- Lift Holders – Vessels are to be LOWERED and secured to dock no later than Condition 3.
- Boats that can be put on trailers – Owner's should seriously consider moving to higher ground.

**CONDITION 3:** **72 – 48 Hours** to Storm Landing.

- Prepare to Evacuate, NO ONE is to remain aboard a vessel during a storm.
- Secure all gear/belongings; begin to clear decks and docks.

**CONDITION 2:** HURRICANE WATCH HAS BEEN ISSUED  
**48 – 36 Hours** to Storm Landing.

- No loose gear on decks or docks.
- Check Lines

**CONDITION 1:** Hurricane warning has been issued; **24 Hours** to Storm Land Fall.

**\*\*\*ISLAND MOORINGS MARINA IS IN NO WAY LIABLE FOR DAMAGE  
CAUSED BY THE STORM OR SURGE\*\*\***

**ALL OWNER'S ARE RESPONSIBLE FOR SECURING THEIR VESSELS**
