PLEASE CONSIDER A DONATION

The Empire State Railway Museum receives no federal, state, or municipal funding except through competitive, project-based grants. Whatever amount you choose for your donation will help support our mission of preservation, interpretation and education. If you work or are retired from a company has a matching fund program for non-profit organizations like us, please submit a request on our behalf.

Planned Giving or a Bequest

Share your love of trains, the U&D or the ESRM for generations to come. Your generous bequest will help ensure the long-term viability of the museum, the preservation of its important historical artifacts, and the continuation of its public education programs.

Artifacts, books and other memorabilia are also accepted but need to be approved by Curator Tom Comito first. He will determine if we can accept the item and, with your approval, either to safeguard or to sell it to raise money for projects
