What is it like to see a representation of one's life in photos? Find out first hand from EJ himself, now an impressive 21-year old.

Elijah (EJ) St. Pierre, 21, is a senior at the University of New Hampshire studying Marine, Estuarine and Freshwater Biology. In 2021, he enlisted in the New Hampshire Air National Guard as a Water and Fuel Systems Maintenance Specialist. EJ is an Eagle Scout as well as has a second degree Black Belt in Taekwondo. EJ is an avid fisherman, airsoft enthusiast, and at a very young age developed a passionate interest in cephalopods.
