As a valued customer, we ask for your understanding and cooperation with regard to our payment policy. LUXX Exposition Services requires that you provide a credit card on file and ALL invoices are paid in full prior to services being rendered. Payment is due at the time the order is placed. For your convenience, we will use this authorization to charge your account for additional services ordered, which may not have been covered by your initial order. **It is understood your initial order is only an estimate and may not reflect the balance of the final invoice which may include but are not limited to labor, material handling, shipping, etc.**

LUXX Exposition Services accepts MasterCard, Visa, Discover, American Express, company checks (US bank) and wire transfers and ACH direct deposits. A \$55.00 bank transfer fee for wire transfers will apply and must be added to the amount transferred. Exhibiting company will be responsible for any and all bank fees. Any credit card charge exceeding \$10,000 in one transaction will be charged a 3.5% surcharge. Please contact our office for wire transfer and ACH information. There will be a fee of \$50.00 for any returned check. Purchase orders are not considered payment. **All companies must provide a charge authorization form with orders.**

It is understood acceptance of the following terms and conditions will be construed when any of the following conditions are met:

**All companies must provide a charge authorization form with orders even when paying via company check, wire transfer or ACH direct deposit.** All orders received without the method of payment form will be charged standard rates. To obtain the discount pricing, full payment must be included with your order no later than the published discount date.

All show site representatives, agent, display house or third parties must be made aware of this policy and must be able to settle the account in full if an unpaid balance stands. If work is contracted to a display or exhibit house and requires services from LUXX Exposition, the payment policy agreement applies. A Third Party Payment form must be completed and submitted two weeks prior to show opening. If your elected Third-Party Provider fails to pay for LUXX Exposition services, the exhibitor is still responsible for paying all invoices. LUXX Exposition reserves the right to institute a collection action against the exhibitor if the third party does not pay.

International exhibitors must prepay 100% of owed balances prior to show move-in in U.S funds drawn on a U.S bank. Any orders or service placed with LUXX Exposition Services on show site must be paid in full at that time. Should an international exhibitor require clearance by a United States Customs office, arrangements must be made with a custom broker. LUXX Exposition Services cannot clear the shipment on behalf of the shipper.

Outbound services: All outbound services will be processed on your credit card on file. A copy of the receipt and invoice will be emailed to the contact on file once the card is charged. **A final invoice** regarding all transactions will be emailed within 45 days of show closing. Should you require a receipt at any other time, please contact our office.

It is the responsibility of the exhibitor/client to contact and advise LUXX Exposition Services immediately of any discrepancies or problems with their invoices prior to the close of the show. All concerns reported prior to show close will be considered as credits to your account with LUXX Exposition. No credits or refunds will be processed until after the close of the show. Any credit card refunds must be resolved within 45 days.

Should there be any unpaid balance after the close of the show; terms will be due and payable upon receipt of invoice. Unpaid balances after 30 days of invoice date will bear a finance charge, at a lesser of the maximum rate allowed per applicable law or 1.5% per month, which is an annual percentage rate of 18%. Any orders received from exhibitors who have an outstanding balance from previous shows will NOT be processed until payment of the delinquent invoice is settled in full. Future orders will also be on a full pre-payment basis.

Any order cancellations after the Standard Deadline date will be charged a 50% cancellation charge. Orders cancelled after decorator move-in begins will be charged a 100% cancellation charge. There are no exchanges or refunds once equipment or furnishings have been delivered to your booth. Cancellations before move-in must be received in writing. Any labor cancellations must be received in writing before 48 hours prior to the start of 1st day exhibitor move in, otherwise labor will be charged 50% cancellation fee.

LUXX Exposition Services will not be liable for any cost damages to the exhibitor/client resulting from a failure to comply with payment terms in advance of show, even if it results in a delay of their work and/or overtime charges.

Warehouse receiving hours are 8:30am - 4:00pm Monday thru Friday. Beginning warehouse date, last day for discount deliveries and last day for late delivery dates for your event are all listed in the quick facts section of this manual (page 3). A payment method must be on file so all charges applied can be charged before freight is delivered to booth space. Freight will be held from delivery to booth space until all Material Handling charges have been paid. Please use shipping labels enclosed in this manual on your shipment(s). These labels will assist in clarification on show site for delivering your materials to your booth space. Please reference the page labeled Material Handling Tips for money saving tips on your shipment!

### **DIRECT TO SHOW SITE SHIPMENTS:**

**DO NOT** ship materials to show site/venue prior to move-in date. Freight shipped to the venue before receiving date will be **REFUSED** and extra carrier charges may apply. Dates and times of when shipments will be accepted at show site are all listed in the quick facts section of this manual (page 3). All items shipped to show site will be received by LUXX Exposition Services and will be reweighed upon receiving. A payment method must be on file so all charges applied can be charged before freight is delivered to booth space. These labels will assist in clarification on show site for delivering your materials to your booth space. Please reference the page labeled Material Handling Tips for money saving tips on your shipment!

### **OUTBOUND SHIPMENTS (AT CLOSE OF SHOW)**

It is the exhibitor's responsibility to arrange outbound shipments with their designated carrier (if other than LUXX Exposition Services logistic services). Schedule your carrier to pick up your freight, directly from facility/venue no later than the freight carrier check-in deadline listed in the quick facts section of this manual (page 3). **The driver must check-in to the designated Freight Desk to sign in for pick-up.**

- If your scheduled carrier does not check in to the designated freight desk by the freight carrier check-in deadline your materials will be forced/re-routed back to LUXX Exposition Services warehouse and will be shipped out via LUXX Exposition Services preferred carrier at the exhibitors expense. Return to Warehouse fees and shipping charges will be applied to the final invoice. No liability will be assumed by LUXX Exposition Services as a result of such rerouting and handling.
- If an exhibitor is shipping out via UPS or FedEx and they fail to pick up or the facility does not allow to turn the packages over for their daily pick-up, then your items will be taken back to LUXX Exposition Services warehouse to ship out the next business day. Fees will apply and will be added to the final invoice.
- At the close of the show, **each exhibitor MUST fill out and submit a Material Handling Agreement (MHA)**. Outbound shipping forms and assistance will be available at the service desk. Any shipment(s) left in a booth space for which no disposition is provided, will be re-routed via LUXX Exposition Services preferred carrier at the exhibitors expense and charges will be applied to your final invoice. Materials will NOT be released to a common carrier without a LUXX Exposition Services Material Handling Agreement (MHA) on file.

### **PRIVATELY OWNED VEHICLE**

Exhibitors may hand carry small items into the exhibit hall from their POV (privately owned vehicle). Only full time employees of the exhibiting company will be allowed to hand carry items. The use of carts, dollies, flat trucks or other mechanized equipment is not permitted. Truck docks are under the control of the official material handling contractor. This control will be strictly enforced. Any freight handled by LUXX Exposition Services will be recorded on a freight receiving report and charged the rates reflected in this service manual.

LUXX Exposition Services is the exclusive provider of material handling services and charges will automatically be applied to your account upon receipt of each shipment. This service, whether used completely or in part, are billed as a package. Another term for Material Handling is dryage.

**What is Special Handling?** Special Handling applies to shipments that are loaded by cubic space and/or packed in such a manner as to require additional labor/handling, such as ground unloading/loading, constricted space unloading/loading, designated piece unloading/loading, carpet/padding only shipments or stacked shipments. Also included are multiple shipments, alternate delivery locations, mixed loads, and shipments without individual bills of lading or documentation. Shipments loaded in this manner require additional time, labor, or equipment to unload, sort, and deliver. All, among others, FedEx, DHL and UPS shipments require special handling.

**What is the difference between material handling and shipping?** Shipping is the process of transporting your shipment from its origin to its final destination. Shipping can be considered the same as logistics. Material Handling begins at the time your shipment arrives to the docks. These are two different items and are billed differently.

**How do I calculate Small Package shipments?** Charges for Small Package shipments are total shipment weight, per delivery. For example, if two packages are delivered together and the combined weight of both packages is 23 lbs, you will be charged one Small Package charge. Any shipment above 30 lbs will not qualify for this rate. Please be advised that your whole shipment may not arrive to its destination at one time. Therefore you may be charged per each delivery. All shipments, regardless of carrier, weighing 31 lbs and up will be billed using the standard material handling rates listed in this service manual and billed at a 200 lb minimum.

**Should I insure my shipment?** Yes! Because accidents happen! Please make sure your materials are properly insured against "ALL RISK" from the moment they leave your company location to the time they return after the close of the show.

**Do I need to order a forklift to unload or reload my freight?** No, please do not order a forklift for unloading/reloading your materials. Ordering a forklift will not replace Material Handling charges.

**What does CWT mean?** Hundred weight (100 lbs). CWT is an acronym for Century Weight.

**What is a priority empty label?** Your best friend! Purchasing a priority empty label means your empty crates will be returned first at the close of the show. In other words, the amount of time you have to wait in your booth for your empty crates to be returned so you can start packing up will be very limited. Make sure to purchase a priority empty label if you have a flight to catch!

## MONEY SAVING TIPS & HELPFUL HINTS

- Consolidate your shipments! Place your materials on a skid and shrink wrap if possible to ensure they arrive together as one shipment. Shipments that arrive at separate times and dates will incur a minimum charge for each delivery. This applies to deliveries at both the Advance Warehouse and Show Site Shipments. It is in your best interest to consolidate as much as possible!

- Ship to the Advance Warehouse! Avoid shipping to show site! It is always best to ship your materials to the advance warehouse. By shipping to the Advance Warehouse, you avoid delivery delays and last minute issues that may arise. After shipping to the Advance Warehouse, you have many ways of confirming all your materials have been received prior to show move-in. If there is any issue with your shipment, it can be solved prior to show move-in. When shipping direct to show site, if there is an issue, there is extremely limited time to solve the issue prior to show open. Also, when you ship to the Advance Warehouse, as long as you do not have an outstanding balance, your materials will be in your booth space when you arrive and you can begin installation immediately. This saves time and frustration at show site!
- Ship prepaid. Collect shipments will not be accepted at either the warehouse or show site.
- Be sure to complete and submit a LUXX Material Handling Agreement. Material Handling Agreements will be available at the LUXX Expo Service Center. Please be sure to return your completed Material Handling Agreement and any additional outbound information before you leave the show floor. DO NOT leave your completed MHA/BOL in your booth space!
- If you chose to use a carrier other than the official show carrier, please be certain to contact them with any necessary pick-up information. LUXX Expo is not responsible for contacting outside carriers for pick-ups.
- Be sure your materials are insured from the time they leave your company location to the time they return after the show. It is suggested that exhibitors arrange all risk coverage. This can be done by adding exposition floaters to existing policies. Contact your insurance representative.

## LIMITS OF LIABILITY AND RESPONSIBILITY

1. Acceptance of terms: It is understood that the following terms and conditions will be construed when any of the following conditions are met:
  - The exhibitor shipping information and Material Handling form is submitted
  - Exhibitors materials are delivered either to the LUXX Exposition Services, LLC (hereafter referred to as "LUXX Expo") warehouse or show site for which LUXX Expo is the official general contractor for the event; or
  - When an order for any rental equipment and/or labor is placed by the exhibitor with LUXX Expo
2. LUXX Expo shall not be responsible for any damage to uncrated materials, material improperly packed, or concealed damage. Exhibitor agrees to hold harmless LUXX Expo from responsibility for concealed and/or apparent damage to uncreated and/or unskidded exhibit material.
3. LUXX Expo is not responsible for the count or content of material after it has been placed in the exhibit areas.
3. LUXX Expo shall not be responsible for loss, theft or disappearance of materials before they are picked up from exhibitor's booth for reloading after the show. Bills of Lading covering outgoing shipment, which are furnished by LUXX Expo to exhibitors will be checked at time of actual pick up from the booth and corrections are made where discrepancies occur.
4. LUXX Expo shall not be responsible for any loss, damage, or delay due to fire, Acts of God, strikes, lockouts or work stoppages of any kind or to any causes beyond its control.
5. It is understood LUXX Expo and its subcontractors are not insurers. The exhibitor is responsible for obtaining the proper insurance to cover their property. LUXX Expo does not provide for full liability should loss or damage occur.
6. LUXX Expo liability shall be limited to the physical loss of or damage to specific article which is lost or damaged, and in any event LUXX Expo maximum liability shall be limited to \$0.30 per pound per article with a maximum liability of \$50.00 per item, or \$1,000.00 per shipment, whichever is less.
7. Claims for loss or damage must be submitted to LUXX Expo prior to the close of show. Reports must be made at the LUXX Expo Service Desk on show site and paperwork documenting the incident must be completed. Failure to complete the proper paperwork at show site will result in the claim being waived. The exhibitor must submit any written claim for loss or damage within (30) days of the close of the show on which the loss or damage occurred or the claim shall be considered waived. No suit or action shall be brought against LUXX Expo more than one year after the accrual of the cause of action.
8. Empty Container labels will be available at the LUXX Expo Service Desk. Affixing the EMPTY labels is the sole responsibility of the exhibitor or their representative. It is understood that these labels are used for empty storage and LUXX Expo assumes no responsibility or liability for loss or damage to contents while containers are in storage or for mislabeled containers.
9. The exhibitor agrees, in the event of a dispute with LUXX Expo or its subcontractors relative to any loss or damage to any of the exhibitor's freight or equipment, that the exhibitor will not withhold payment in any amount due to LUXX Expo for freight handling services or any other services provided by LUXX Expo or its subcontractors as an offset against the amount of the alleged loss or damage. Instead, the exhibitor agrees to pay LUXX Expo prior to the close of the show for all such charges and further agrees that any claim the exhibitor may have against LUXX Expo or its subcontractors shall be pursued independently by the exhibitor as a complete, separate transaction to be resolved on its own merits.
10. Exhibitor, as a material part of the consideration to LUXX Expo for material handling services, waives and releases all claims against LUXX Expo, its employees, agents, officers, and directors, with respect to all matters for which LUXX Expo has disclaimed liability, pursuant to the provisions of this contract. The exhibitor acknowledges that he or she has read this agreement, understands it and agrees to be bound by its terms, and further agrees that it is the complete and exclusive agreement between the parties. The invalidity or enforceability of any provision herof shall not affect, modify, or impair the validity and enforceability of all other provisions herein.

### **LABOR:**

The installation and dismantling of prefabricated displays comes under the jurisdiction of the Teamster union. Union Labor is available to assist in the installation and dismantling of exhibit booths. Exhibit labor, freight and rigging labor, electricians and plumbers can be arranged for at established rates, using the enclosed labor forms.

### **EXHIBIT LABOR JURISDICTION:**

Teamster union exhibit labor claims jurisdiction for the installation, dismantling, and first cleaning of prefabricated exhibits and displays. However, exhibitors may set up their own exhibit display if they are a full time employee of the exhibiting company with proof of employment and proper identification. The Union's jurisdiction does not cover the placement of your products on display, the opening of cartons containing your products, nor the performance, testing, maintenance or repairs of your products.

Exhibitors are not permitted to use tools of any type (screwdrivers, hammers, electric drills, power saws, etc) on booths of any size, unless they are full time employees of the exhibiting company with proof of employment and proper identification. When union labor is required, you may provide your company personnel to work along with a union installer on a one to one basis. All company working personnel must have proof of employment with the said exhibiting company.

### **MATERIAL/FREIGHT HANDLING JURISDICTION:**

The Teamsters have jurisdiction over all unloading and reloading of materials. The union also has jurisdiction over the operation of all material handling equipment - this includes all dollies and hand trucks. It also has the jurisdiction of the unloading, uncrating, unskidding, leveling, painting and assembly of machinery and equipment as well as the reverse process. An exhibitor may "hand carry" material provided they do not use any material handling equipment to assist them. When exhibitors choose to hand carry material, they may not be permitted access to the loading dock/freight door areas. Items must be carried by hand, by one person.

Vehicles must not be left unattended at the loading areas. Any unattended vehicles will be towed at the owners expense.

### **GRIEVANCES**

If any issues should arise with union and trade personnel with respect to work jurisdictions, please refer all disputes and/or questions to LUXX Exposition Services management personnel immediately.

### **SAFETY**

Standing on chairs, tables and other furniture is prohibited. LUXX Exposition Services cannot be held responsible for injuries or falls caused by the improper use of furniture. If assistance is required in assembling your booth, please utilize the labor ordering forms enclosed in this manual and the necessary ladders and/or tools will be provided.
