

Presbyterian Disaster Assistance Relief Efforts in Turkey and Syria

The scale of the disaster facing Syria and Turkey after the Feb. 6 earthquake is becoming clearer. The 7.8-magnitude quake and its aftershocks have left more than 36,000 people dead and thousands more injured; these numbers will rise as search and rescue continues. Buildings have been reduced to rubble, and roads and bridges have been severely damaged, resulting in dangerous conditions for first responders.

Presbyterian Disaster Assistance (PDA) is providing emergency relief and short-term recovery in the impacted areas through long-standing partners in Syria, in addition to ACT Alliance members in Syria and Turkey, all of whom are already on the ground. PDA will remain active throughout the entire recovery process, accompanying our partners in the area as they determine long-term program needs and providing financial support for building and resilience.

Financial support for relief efforts can be designated to [DR999999-ST earthquake](#). Gifts can be made online, by phone at (800) 872-3283, or by check made payable to Presbyterian Church (U.S.A.) with “[DR999999-ST Earthquake](#)” written on the memo line and mailed to:

Thousands are reported dead and injured, numbers that will rise as search and rescue continues. Buildings have been reduced to rubble, and roads and bridges have been severely damaged, resulting in dangerous conditions for first responders. In some places, such as Aleppo, this destruction is compounding the damage of the now 11-year war in Syria.

PDA is providing emergency relief and short-term recovery in the impacted areas. PDA will remain active throughout the recovery process, accompanying our partners as they determine long-term program needs and providing financial support for building and resilience.

Years of recovery lie ahead, and your commitment will help PDA extend the hands of Christ. Will you stand in the "GAP" for the people affected by this catastrophic earthquake?
