

# New! "ECO-Collaborative" (Every Child Outdoors)

with Birth-8yrs and PreK early childhood professionals, childcare providers, and the kids & families in your care

**Are you interested in supporting play- and nature-based learning experiences for the children in your care and / or your preschool students? Join the ECO-Collaborative!**

**The experienced "grown-up guides" of the GRASS & ROOTS ECO-Collaborative will engage with your kids in hands-on, playful, Earth-connected "explorations" developed with help from Project Learning Tree (PLT.org)**

**Our ECO-Collaborative team can also coordinate and assist in connecting your families and kids to NATURE-BASED OUTINGS and field trips to accessible all-natural spaces and places**

## GRASS & ROOTS OUTDOORS

actively engages with communities, educators, and families in building up kids to be energized, inspired, environmental stewards. Kids as Earth-protectors!

With generous support from:

CARL AND VERNA SCHMIDT FOUNDATION

Join the St. Peter area ECO-Collaborative, kicking off in Summer/Fall 2022. We'd love to meet you!
