

Gilzene Law PLLC

Clear Guidance for Complex Issues.

CAPABILITY STATEMENT

Core Competencies

Gilzene Law PLLC has five core areas of practice:

1. **General Counsel** – Trusted advisors to financial services entities, providing day-to-day governance, compliance, and risk mitigation guidance.
2. **White-Collar Investigations & Enforcement Defense** – Representing clients in heavily regulated industries facing scrutiny from regulators and law enforcement, and navigating complex internal reviews, enforcement actions, and high-stakes inquiries.
3. **Business & Regulatory Litigation** – Advocating in courtrooms and arbitrations for clients engaged in critical disputes, especially those involving regulatory, financial, or fraud-related claims.
4. **Military & Veteran Advocacy** – Protecting the rights of servicemembers in active duty military justice matters and defending veterans facing adverse actions by the U.S. Department of Veterans Affairs.
5. **Name, Image & Likeness (NIL) Advisory** – Guiding student-athletes, universities, and organizations through emerging compliance and contractual risks in the evolving NIL regulatory landscape.

Key Differentiators

- **Expertise:** We are led by an experienced business and regulatory attorney. We deploy exceptional forward-thinking problem-solving, legal insights, analysis, and strategies.
- **Experience:** Over 20 years of experience in providing excellent services to dynamic organizations.
- **Quality Control:** Rigorous QC – ensuring high standards and compliance with regulations.
- **Client-Focused:** Tailored solutions and responsive support, ensuring client satisfaction.
