

Educational "Maker Classes" For Senior Community Residents

Natural Air Freshener Making

\$190: up to 10 attendees*

Air Fresheners made with baking soda and participants' choice of essential oils in mini mason jars. We decorate the labels and choose our colors and ribbons.

Wellness Tea Education, Tasting, Blending

\$200: up to 10 attendees*

While sipping a brewed herbal tea, participants will learn about gentle and natural health benefits of herbs. They choose their own blends and make their own teabags to take home.

Essential Oil Education / Rollerball Making

\$220: up to 10 attendees*

Learn about essential oils and benefits of aromatherapy. Participants choose and make their blend for sleep, mood lifting, headaches or anxiety. Expressing creativity by designing the label.

Organic Shea Butter Lotion Bars

\$230: up to 10 attendees*

We make a batch of organic shea butter lotion bars shaped like hearts. They can choose unscented or a seasonal scent addition. "Design your own label" makes it crafty too!

****\$6 extra charge per attendee above 10: up to 15 people max.***

Additional class options: Soy Candle Making or Body Scrub Making.
