

The background of the entire image is a dark, atmospheric photograph of a stage. At the top, several spotlights are visible, casting beams of light in shades of blue and purple. Below the lights, a large, dark silhouette of an audience is seen from behind, filling the lower half of the frame. The overall mood is professional and high-tech.

LET US INTRODUCE OURSELVES

LiveTen Media is not just an AV labor company; it is a team of experienced audiovisual professionals. We faced a critical point in our industry's history during the pandemic when it teetered on the edge of collapse. Recognizing the opportunity that lay ahead, our team embarked on a mission to redefine the standards for audiovisual professionals. We assembled a group of sought-after AV experts from across the nation who bring their expertise and talent to their local market events, ensuring that your expectations are not only met but exceeded.

Unmatched Skill and Experience: Each technician at LiveTen undergoes a rigorous vetting process to ensure they are the perfect fit for their designated role. We maintain our high quality standards by consistently evaluating their performance.

Devoted to Customer Service: Our techs are dedicated to maintaining open lines of communication with you from the moment our technicians arrive on day one, until the conclusion of your event. Our staff will be readily available either on-site or through phone and email.

Emphasizing Safety and Expertise: With a paramount focus on safety, our seasoned professionals prioritize the well-being of every participant and staff member throughout each event. We firmly adhere to the principle of "Make it safe" ensuring a secure environment at all times.

"THE LIVETEN PROMISE."

- Meet technical knowledge and equipment experience criteria.
- Applied work experience, Our techs know it because they have been there.
- A proven sense of Customer Service.
- A passion for safe work practices. Our Team excels in what we do!

Our core belief is that no job is too small, and no tech should be inexperienced.
