

# Your Benefits

*Educators spend their own money on materials, classroom decorations and supplies. To help you save money, FEA, AFT and NEA have partnered with merchants you know and trust to provide discounts year-round.*

These programs are a part of our commitment to helping our members live the American Dream — by providing members solutions that improve their lives, allowing them to focus on supporting their students.

You do not need to know your FEA/Access membership number to access the national AFT and NEA benefit programs.

Some local unions have begun establishing member benefits ambassadors at school sites in their district. To learn more about this expanding program, existing benefits (such as free college, travel discounts, debt counseling, home mortgage, and more), and limited-time offers, follow FEA member benefits on Facebook. All registration information is located on the Facebook cover page.

The FEA/Access program delivers savings of up to 50% off at more than 350,000 premier shops, restaurants, hotels, retailers and more — across the country and even right in your own neighborhood!

Once your local union membership has been processed, you will receive this card with your membership number and an initial password (which you can change) in the mail.

Use the MyDeals app (see sidebar, next page) or log in to [www.FEAweb.org](http://www.FEAweb.org), and click on the Access link to search for a participating merchant by entering the city or ZIP Code where you are — or plan to be.
