

WCSP Bulletin

From Your President

Hello and Happy Fall!

Fall is here and feels so much better! I hope we are off to a better start. The Covid numbers within our school district and our county are lower and that is a blessing.

We have settled our negotiations and ratification will be next week. One session was covered by the DeFuniak Herald including all our proposals. This was an unexpected surprise.

Our mission is to continue to serve our community with fair and just treatment in our workplace and educational settings throughout our district.

We would like to continue to update our member roster so please contact Lisa Williams with any updated contact information.

These last couple years have been tough and yet you made it through. I admire your stamina as well as your loyalty to your jobs. WCSP appreciates each and every one of you and what you do each

day. You are remarkable people. I know we are understaffed yet you continue to get our students to school, feed them, teach them, clean up after them, and repair the schools so everything is safe. You monitor their health and their grades, as well as nurture and relate to their families. For years, if students have any needs, you step up and give not only materialistically but moral and emotional support.

THANK YOU , THANK YOU, THANK YOU JOB WELL DONE!

You are true mentors and WCSP will do whatever we can for you.

In Solidarity,

Victoria Wilkerson, WCSP
