

Date _____

LACOA REQUEST FOR APPROVAL—BUILDING EXTERIOR ADDITION/ MODIFICATION

Hangar Number _____

Hangar Owner's Name _____

Description of modification to be done:

Drawing of modification:

This approval is contingent upon your promise to maintain this addition/ modification in good condition and function. If the LACOA Board of Directors determines that maintenance is not being accomplished satisfactorily and repair is necessary, you will be required to pay for services and materials involved in repair/ replacement by a commercial contractor ordered by the Board to do the required maintenance.

The signature below constitutes approval based upon a 2/3 majority vote of the LACOA BOD:

LACOA BOD Officer signature: _____ Date: _____
