

Fall, 2023

Dear Moose Lake Golf Club Members

Another golf season is drawing to a close. We still have some nice weather to come so there is time yet to enjoy our beautiful course. We have had a good year. The golf course has been in great shape and we plan to keep on working to improve our course and club in every way. We have so many of our members who volunteer and give! Thank You!

Membership is the heart of our club. So many of our members choose to belong because they like not just the golf, but also the friendships and sense of keeping a community asset strong and vital.

Our fees for 2024 are attached. Membership fees will remain the same but our boat slips had to go up due to the permits we have to pay. We strive to continue to keep the course in the best shape possible. The board's desire is to keep fees as low as possible and yet adequately fund the club. The board desires to keep encouraging Early Bird payments as that helps us so much in keeping our Line of Credit as low as possible during the off season. We are continuing the free pass policy for Early Bird payments. This year it will be 3 free passes for all who complete payment prior to December 1. The sooner we can receive those early payments the more it helps our club. It does also help our club if payment is made by check- and do know that our credit card process is not available to us once we close on October 28<sup>th</sup>.

We will continue the payment plan. For those who choose this plan the pre-season rate will be in effect as long as the first payment is received by December 1 and the final payment received on or before April 1. Again, payment needs to be made by check.

We have four ways to approach membership for the coming season.

1. Submit payment prior to December 1 and receive the best rate and 3 extra free passes.
2. Use the payment plan and your final price will be the price of when your final payment is made.
3. Submit payment any time prior to April 1 and take the Pre-season discount.
4. Pay anytime after April 1 at the Regular Rate.

Attached you will find the documents you need for submitting your membership fees for the 2024 season. Thanks to each of you for making our club such a great place!

Sincerely,  
Your Board of Directors
