

Clare's Swim School: Summer 2025 - Registration Information Package

Clare's Swim School Summer 2025 - Registration Information Package 6 Norton Drive, Uxbridge

Welcome to our backyard swim school! We are conveniently located just outside Goodwood on the Port Perry Road, minutes from Stouffville, Uxbridge, Port Perry, Ballantrae and Claremont. Our instructors are fully certified with the Lifesaving Society and have many years of experience teaching swimmers of all ages and abilities. We strive to ensure a positive experience in the pool as well as an educational one. Each swimmer will be taught based on their individual needs. A progress report will be emailed for each swimmer shortly after their last lesson of the Summer!

When booking lessons, please complete the registration and waiver document. The signed documentation, along with payment, is required within two weeks of reserving your timeslot or prior to the first day of lessons if your booking is less than two weeks in advance of your swimmer's first lesson.

Registration

Registration is done strictly on a first-come, first-serve basis. No early registrations will be processed.

Please e-mail claresswimming@outlook.com and indicate which lessons/times you are interested in. You will then be notified if that time is available. Social media messages will be replied to; however, the email address claresswimming@outlook.com **takes priority and will be answered first.**

Payment will be required to confirm your requested time. Timeslots will be temporarily held for a period of 2 weeks, to allow adequate time for payment to be delivered to Clare's Swim School. **If payment is not received within 2 weeks, your timeslot will be released and offered to other registrants.**

Semi-Private Lessons

If you would like to book semi private lessons, please find a suitable match (a swimmer of similar ability) for your swimmer. The Swim School does not match swimmers for semi private lessons. Registration forms and insurance waiver will be required for each swimmer if from different families. One set of registration forms is required per family.

Weather

Lessons will run in all-weather except thunderstorms! In the case of a thunderstorm, classes in progress will be moved indoors where age-appropriate water safety and first aid lessons will be taught. If your entire class is cancelled due to inclement weather, we will try to schedule a make-up class, **however, this cannot be guaranteed as it depends on finding a mutually convenient time slot, instructor availability and pool space.**

Be SunSmart! Apply sunscreen at least 15 minutes prior to arriving at your lesson to allow adequate time for it to soak into the skin and provide maximum protection from sunburn.

Insurance

To comply with insurance requirements, all swimmers must have a signed and completed insurance/medical waiver submitted along with their registration form and payment prior to their first lesson. There are two waiver forms - one for swimmers taught here, and one for swimmers taught in a private pool. Please complete and sign the appropriate waiver form.

Help Prevent Pool Fouling

Before arriving for your lesson, please ensure that all children have used the washroom. Children who are not fully toilet trained must wear a swimming diaper. Please save snacks for after swimming lessons to avoid vomiting during the lesson!

Food and Beverages

No glass containers of any sort are permitted in the backyard. Water in a refillable plastic container/water bottle may be brought onto the pool deck.

Parking at 6 Norton Drive

NO PARKING on the road, or in front of neighboring properties. You must park on one of the two driveways on the property, even if it means that you are temporarily blocking someone in. You access the pool area by following the gravel driveway to the backyard.

Statutory and Civic Holidays

There are no lessons on June 30 & July 1 or on August 4, fees will be pro-rated for those weeks.

Missed Classes

If you know in advance that you will be unable to make it to your scheduled week of lessons, let us know as soon as possible so that we can try and find a replacement. If we can find a replacement, you can reschedule your lessons or receive your payment back, less a \$45 admin fee. If you are absent during your scheduled week for medical reasons, we will try to fit in a make-up class(es), **however, this cannot be guaranteed as it depends on finding a mutually convenient time slot, instructor availability and pool space.**

Cancelled Courses

If a course is cancelled due to insufficient registrations, or the date has been changed by the management of Clare's Swim School and you are unable to attend the new date, a full refund will be given.

Lessons in Your Own Pool

Our instructors can save you a trip and teach the lesson in your pool! Please email dates and times that you are interested in, along with the location of where you would like the lessons to take place. We will let you know if an instructor is available. **There is a one-time optional fee of \$45 per season for the homeowner to be added as a named insured to our insurance (our instructors are insured through Clare's Swim School).** There are also travel costs associated with an instructor travelling to your pool as well as a one hour minimum teaching charge per visit. **Your pool must be heated to a minimum of 80F, clean with the bottom clearly visible and free of algae.**

We understand that everyone's schedule is different and that planning swimming lessons can become a challenge. If there is not a convenient time listed, please contact us and we will try to accommodate your requests.

Waitlists

If your preferred swim time is fully booked, we do have waitlists for each week. We will contact the first person on the waitlist if there is a cancellation and/or we are able to open up more spaces.
