LANGUAGE IN THE SOCIAL ROOM

Unfortunately, the language in the social room continues to an issue. Please help us keep our social room a RESPECTABLE place for all members. Having an enjoyable environment for us all to socialize is so important!! Again, foul language is offensive to some individuals and there needs to be respect shown to all members. Our social room is not a regular bar and SHOULD NOT BE TREATED AS SUCH!

THURSDAY PINOCHLE NEWS

Thursday afternoon Pinochle will revert back to starting at 1:00 pm Thursday, March 14, following the start of Daylight Savings Time which starts on March 10. We had a good turnout of card players through the winter and hope that numbers will pick up once the weather and roads improve with the coming of spring and some of our snowbirds return.

We would like to remind everybody that we welcome new players. However, we are a fast paced, experienced group and we request that if you have never played before or if it has been awhile, that you set up a practice refresher session beforehand. We have several players who are willing to help with this. Just let any player or the bartender know and we can make arrangements to do this one afternoon before joining our Thursday group. You can play as a guest three times and then will be asked to become a member of the Aerie or Auxiliary in order to continue.

A reminder that dues are good through May 31, 2024. The Grand Aerie will start sending reminder notices beginning the first part of April. They then bill our local Aerie and Auxiliary for postage and handling. In order to avoid this expense, we ask current members to renew early. Dues are \$48 for Aerie members and \$30 for Auxiliary members (unless you are a benefit member which is \$31) for the next year beginning June 1, 2024. Dues can be paid to the bartender or if Donna is playing cards, she can accept checks or cash and write receipts.
