

# XS-150

Andemar XS-150 is a new non methanol windshield de-icer.

***Andemar XS-150 is the answer to frustrating and unsafe frozen wiper blades or icy windshields.***

***XS-150 is packaged with a patented non-aerosol dispensing can that applies an atomized spray to windshield. It can be used holding it at any angle including upside down. A 2 year study has shown the patented delivery can will work perfectly under any temperature conditions as well as sitting dormant for 2 years.***

1. Works effectively down to  $-45^{\circ}\text{C}$ .
2. Does **not** contain methanol (poisonous to people and pets).
3. Can be applied either just prior to weather event as a preventative anti-icer or as a de-icer after storm has passed.
4. Will not cause smearing when used with the presence of snow and ice, simply apply, wait approximately 15 seconds, then turn wipers on, with car defroster turned on.
5. Pleasant smell.
6. Great solution for industrial equipment sitting outside.

## PRODUCT SAFETY INFORMATION

As with any chemical, XS-150 requires care in handling. Anyone responsible for the procurement, use or disposal of this product should familiarize himself and those handling it with the appropriate safety and handling precautions. This information is available in Material Safety Data Sheets, which may be obtained from our Customer Service group.
