

QuiKleen®

ENCAPSULATING ABSORBENT

QuiKleen® can clean up any liquid spills on any surface without residue.

- QuiKleen® is an inert, inorganic, non-biodegradable blend of minerals.
- All natural, non-toxic, non-flammable, non-leaching, reusable
- Exceeds EPA standards for landfill discarding of absorbed toxic waste materials
- Save money by sifting through screen strainer for re-use.
- 1.5 lbs of QuiKleen® will absorb an entire quart of motor oil vs 15 lbs of clay.

You can use QuiKleen® for the following spills:

Many applications such as: Several Types of Oils, Gas, Blood, Vomit, Paint, Coolants, Syrups, Pet Urine, Grease, Transmission Fluid

DIRECTIONS

Spread spill with QuiKleen® Absorbent. Use a stiff brush to sweep in a circular motion. Sweep or vacuum. Sift, remove clumps and store remaining product for future use.

PRECAUTIONS

DISPOSAL OF WASTE: QuiKleen® must be disposed of according to all applicable Federal, State and Local regulations pertaining to the absorbed fluid.

FIRST AID

EYES: Safety goggles may be recommended. Flush eyes with large quantities of water. **DO NOT RUB.** If irritation persists, call a physician.

INHALATION: A mask may be recommended. Move to fresh air. Flush mouth with water to remove from throat. Blow nose to clear dust from nasal passage.

DO NOT USE WITH HYDROFLUORIC ACID

CHECK WITH YOUR LOCAL STATE, FEDERAL AND COUNTY FOR PROPER DISPOSAL
