

Field Supervisor

407-674-6900

We're Hiring: Field Supervisor (Construction Specialty Trades)

 Location: South Florida (Remote)

 Full-Time | Competitive Pay | PTO | Growth Opportunities

Dennaoui, Inc., a growing construction company based in Orlando, is looking to hire a motivated **Field Supervisor** to join our team! We regularly partner with top general contractors on **multifamily** and **commercial projects** throughout all of Florida. We specialize in:

-  Insulation
-  Waterproofing
-  Caulking
-  Expansion Joints
-  Fireproofing

What You'll Be Doing:

Attend jobsite and business meetings, maintain continuous customer contact to gauge performance perceptions, and communicate relevant information to the Project Team. Prepares work orders, purchase order requests, and job cost analysis for all projects. Is familiar with drawings, plans, and specifications, including estimates for new projects, and equipment operations. Provide and analyze job cost analysis, negotiate vendor prices, purchase materials, and assist in designing project budgets. Estimates material and labor costs for projects in response to requests for proposals. Calculates costs based on analysis of project specifications, pricing schedules for labor and materials, and historical data. Analyzes job costs and uses data to inform future project estimates. Prepares, verifies, and places purchase orders based on contract requirements. Monitors projects to maintain inventory levels and availability. Resolves issues related to inventory returns, replacements, and credit arrangements. Typically requires a bachelor's degree. Typically reports to a supervisor or manager. Occasionally directed in several aspects of the work. Gaining exposure to some of the complex tasks within the job function. Typically requires 4 -8 years of related experience. Works under moderate supervision. Gains or has attained full proficiency in a specific area of discipline.

What We're Looking For:

- ✓ Experience using understanding construction blueprints
- ✓ Previous experience in construction on medium and large jobsites
- ✓ Strong attention to detail and a willingness to learn
- ✓ Solid communication and organizational skills
- ✓ Comfortable working in a fast-paced, team-focused environment

What We Offer:

- ✓ Competitive Pay
- ✓ Paid Time Off (PTO)
- ✓ Full-Time, On-Site Position
- ✓ Opportunities for Advancement & Professional Growth
- ✓ Supportive team environment and real career-building potential
