We are an independent martial arts school... We are not owned and governed by a huge corporation. 3 Oaks Martial Arts is locally and family owned and operated.

We are not a SPORT KARATE DOJO. We are strictly a self defense and combat fighting martial karate school who focuses on the best strategies and techniques to protect you and your family in today's dangerous world. Most other karate schools spend $\frac{3}{4}$ of the class time on preparing for tournaments, we focus 100% of the time on real life matters.

We are built on the foundation of character. He or she who walks into our doors will expect to hold themselves to a much higher standard and personal best in everything they put their minds and hear too.

3 Oaks Martial Arts is a mixed karate school. As a student of 3 Oaks Martial Arts, you will learn 3 unique traditional karate styles: Okinawna Shorin-Ryu, Kenpo and Kun Tao.
