Tasting notes

This wine presents itself with a clear, tropical nose and hints of flint. An intense fruit concentration with ripe peaches, grapefruit and citrus on the palate. Powerful and long aftertaste. Promises great things right now and in the future.

Vineyard

The Grand Cru vineyard Berg Schlossberg is shaped by quartzite, sections of slate, sandy loam and loess.

Vinification

Our grapes are hand-picked and go through another selection process afterwards. Each parcel is vinified separately. Shortly before bottling we are assembling the cuvee. The 2020 vintage has been manufactured in stainless steel in our double stored cellar from 1792.

The Estate

When August Kessler took over his parent's establishment founded in 1924, he was only 19 years old. Back then, mainly bulk wine was produced and the area covered was not larger than 2,5 ha. Under August Kessler's guidance the estate has become one of the flagship ones of the Rheingau area. Down to the present day it has also acquired high international reputation. Today the vineyard estate contains 32,5 ha in some of the best Rheingau sites like: Assmannshäuser Höllenberg, Lorchhausen Seligmacher, Rüdesheimer Berg Roseneck, Hattenheimer Wisselbrunnen and Lorch Schlossberg. We produce 60 % Riesling and 40 % Pinot Noir. We are a member of the VDP and the German Barrique-Forum. Max Himstedt is the estate's most experienced and ambitious winemaker who pushes forward the production of word class wines.

For a couple of years August Kessler and especially Max Himstedt have been joined by another ambitious and young oenologist: Simon Batarseh. Together with the first two mentioned and the whole team, Simon is going to lead the estate into the future. Thus, the course is set to keep producing quality wines at the highest stage.
