

DANGER ZONE

Parenting In The Digital Age

DANGEROUS APPS PART ONE

Askfm, Bigo Live, BitLife,
Calculator, Chat Master,
Chatspin, Discord, Holla,
Hoop, Houseparty, IMVU,
Instagram, Kik

JONATHAN BURNS

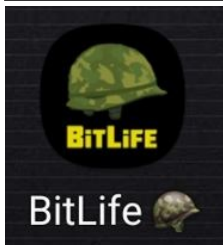

PURPOSE: Q&A format with friends, peers, and anonymous users.

WHY WORRY: Majorly used in Europe but catching up in the US. 13 + is the age and many are using this as a pressure and bullying starter.

PURPOSE: Video Streaming App with unlimited streams and views.

WHY WORRY: Unlimited content and real money can be sent in the form of "beans."

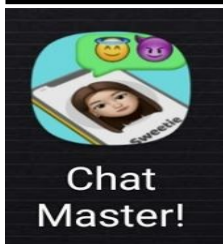

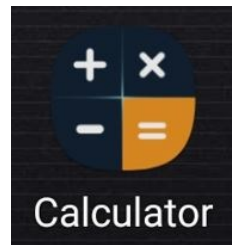

PURPOSE: Avatar action where you go from life to death.

WHY WORRY: Unlimited choices on life, money, time, relationships. Characters can "hook up" and drink, do drugs, gamble, and commit crimes.

PURPOSE: It looks normal but it is not just a calculator for math.

WHY WORRY: Hiding photos, videos, documents, and other items from anyone.

PURPOSE: This is a unique game where you play as you are texting.

WHY WORRY: Remote access to anyone and anywhere. Chat feature opens doors to those who can groom and influence.

PURPOSE: Random video chat app that allows users to randomly chat with people.

WHY WORRY: Real time sexual content and unwanted sexual advances from adult predators.

PURPOSE: This is not a game but started as a gaming chat.

WHY WORRY: This is a content app and anything can be accessed. Remember this is the internet.

PURPOSE: Connect with strangers and chat.

WHY WORRY: You are matched with a stranger and then you have the ability to use location tracking.

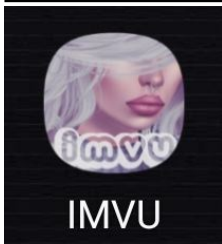

PURPOSE: A mix between Tinder and Snapchat.

WHY WORRY: Users as young as 12 can swipe between profiles and request Snap Chat handles.

PURPOSE: Called HOUSEPARTY. Video chat app that is completely open.

WHY WORRY: Open and carefree attitude about who and when chatting via video takes place.

PURPOSE: Avatar based apps are focused upon role play. Users can chat with others across the world with their avatars. Chat rooms are unmoderated.

WHY WORRY: Sexual content and conversations rule these worlds. Female users get bombarded with questions like: How old are you?

PURPOSE: Popular Photo sharing app owned by Meta.

WHY WORRY: Content, Content, Content.

Kik

PURPOSE: Messenger App that allows users to connect with only a user name.

WHY WORRY: Photos, drawings, or pre-designed cards can be sent. Kik is popular with sexual predators.

Jonathan has been preaching in various roles since 2006. He is a graduate from Tennessee Technological University (2011) and the Memphis School of Preaching (2013).

Jonathan is married to Kelley, and they have two sons, Charlie and Colson. He has served congregations in Tennessee and Mississippi.

He is on the Executive Board of the Short Mountain Bible Camp and is the minister at the Findlay church of Christ. Jonathan actively participates in Gospel Meetings and Lectureships, and mission trips in various parts of the United States, Singapore, Philippines, and Malaysia.
