

# *The Tri-bond Oath of the Templar Knights*

## “The Tertian Vows”

### *Chastity*

I do solemnly swear my life unto chastity: I will be pure of heart, pure of mind, and pure of body, glorifying the LORD in all that I think, say, and do. And bearing in all things of this life, both the Cross of the Messiah and the NAME of the MOST HIGH.

### *Poverty*

I do solemnly swear my life unto poverty: I will be poor of spirit, modest of means, and generous of goods, yet always rich in the righteousness, mercy, and truth of heaven. And bearing in all things of this life both the Cross of the Messiah and the NAME of the MOST HIGH.

### *Obedience*

I do solemnly swear my life unto obedience: I will faithfully honor and keep the code of chivalry, the gospel of our salvation, and the commands of our Savior, Yahshua. And bearing in all things of this life, both the Cross of the Messiah and the NAME of the MOST HIGH.

### *Protection*

I do solemnly swear my life unto protection: I shall be held a stronghold for the harmless, to keep and cover the frail, to preserve what is most precious, and to shelter and shield all pilgrims. And bearing in all things of this life, both the Cross of the Messiah and the NAME of the MOST HIGH.
