Ode to our Love

(Background music Key of C)

(spoken introduction)

**Our Garden is blooming with the fruit of happiness,
Stands adorned with Shanti, flowers of Silence and Peace,
As the sunshine of Your Prema carries our Joy and our Love
To You, our Beloved DIVINE MOTHER -
And as Your silent Blue Lotus Feet walk the shores of our**

intuition,

**We open the temple of our Hearts,
Where silent Love-words are like a billion glittering jewels for
You!**

Oh Beautiful God,

My Krishna Blue,

Sweet Jesus Christ and

To Her - our Love,

Sai Rama - Introduction

(Background music Key of D)

Sai Rama! Sai Rama!
Grant us devotion eternally to Your feet Lord!
Sai Rama! Sai Sita!

(Spoken)

Our Love Light is reflected, by the tightly spun cobwebs of
desire.

As lingering echoes in the distant canyons of the mind.

Our reality, now partially visible; but still,
Duality is blinding us with the glittering illusion. Om Sita!
Om Rama!

Om Rama, ignorant we stand with folded hands, awaiting
Your Grace!
Om Rama!

Oh, grant us true eternal devotion,
True eternal devotion to Your Blue Lotus Feet Lord,
In conscious Bliss!

Knowing Thee, Experiencing Reality,
Being me as Thee, and Thee as me,
As Love, as One, Sohum!

Sohum my Lord!
Sai Rama!

Chords (D, C, E-, G, F)

**Intro.: We are the Atma (the eternal soul)
Forever the same (without form or name)
In Love and true devotion, playing Maya's game,
Chanting sweet Rama's name!**

D *C*
Three faces has humanity,
D *C*
See them clear and you will be,
D *C* *E-*
Free from Maya's dream of ignorance!

There is the one that you think you are,
And the one others think you are,
But then there is the one you really are!
G *F* *E-* *F*
God Himself the omnipresent, sent Christ His loving son!
G *F* *E-* *F*
Told Him to be alike to all, for all are truly one!
E- *F* *E-* *F* *E-*
Jesus Christ my loving son, ALL are only ONE!

Your life will be of no avail,
If with your dying breath you fail,
To chant the holy OM or God's sweet name!
 So start by walking in the Light,
 And then you'll find that the Light's inside,
 Now soon You'll know that you are the Light!
Yes, soon you'll know that you are the Light!
So worship the Blue Lotus Feet of Love!
 God Himself

So let His Love and Truth merge in you, let His will be done!
All are only ONE --- Lord, let Your will be done!

Shanti OM, Shanti OM

You will have Shanti tonight, and Shanti each day,
And Prema the rest of your life!
Then, when Lord Yama, so blue, calls out for you,
The OM sound will bring you home to me!

Shanti OM

**Sita can you hear it now, your Lord is very near,
HE has not forsaken you, Mother have no fear!
“Sri Rama, You’re the Lord of all!” Vibhisana said to Him,
“Please grant me refuge at Your feet, YOU are my only kin!”**

Rama, Rama, Rama, Rama, Jai, Jai!

**The battle raged for many days, Sri Rama played HIS game,
As countless heroes fought and died, some merged in Rama’s
name.**

**Kumbakarna died that way, with Rama on his mind,
His ten headed brother cried, for no peace he could find!**

**Rama, Rama, Rama, Rama, Jai, Jai!
(alternate lead part) Sita Ram, Sita Ram, Rama, Rama, Jai,
Jai!**

**Greed, lust and ego made him blind, that’s why he fought the
Lord,
His arrogance just had no bounds, still he merged in the Lord!
The battle won, Sita reclaimed, after she walked through fire,
The bears and monkeys cried in joy, their voices rising
higher...**

Rama, Rama, Rama, Rama, Jai, Jai!

The Answer

© 1980 Lightstorm

(Background music Key of A-)

(Spoken)

I have finally found the answer!

I've reached a conclusion!

Attachment - is the root of delusion ...

and

Desire - the cause of confusion ...!

... And I know that

Anger arises - because of frustrated desire ...

and

*Fear - is nothing more or nothing less than
Uncontrolled Imagination!*

It's so simple Yes!

So completely clear So basic!

Just redirect the mind Don't chase it!

*Stop your thoughts from running wild,
Into some uncertain Future,
Or some unchangeable Past!*

Stop Desire! Erase it!

Live each moment! And face it!

BE!!!

Right here! Right now! Don't waste it!

BE Consciousness! And trace it!

KNOW YOURSELF!!!

Beyond body, or mind, or feeling! Embrace it!

You are LOVE!!!

The Secret
(© 1994 Lightstorm)
Chords (C7, F7, G7, A-)

C7
Each little thing that occurs in our life
F7 *C7*
Is simply a message from GOD,
F7
Telling us all, to look deep inside,
C7
And listen with an open heart.
G7 *F7*
Each little breath, each joy and each pain,
C7 *G7* *C7*
Is always showing us another part, of God's Secret!

F7 *A-*
Death is our marriage to eternity,
F7 *C7*
It's a bliss-filled adventure with Love,
F7 *A-*
As pure Light we'll merge in our Supreme SELF,
G7 *G7* *F7* *C7*
We're ONE, We're ALL, We're LOVE, Forever!

Each giant problem that seems so unfair,
Is a stop sign created by Love,
To show us that we're on the wrong track,
And to shake us out of this dream,
Called Birth and Death, Attachment and Fear,
The mind and the Ego's big acting scene, it's a dream!

Death is our marriage

**Each single moment is gone in a flash,
Nothing on Earth stays the same,
So free yourself from attachment to things,
Inner silence will show you the way.
Power and Fame, Family and Wealth,
Will forsake you on your dying day, Only God will stay!**

**Death is our marriage
Look deep inside ... Love is the way ... We're One!**

**Loving service will soon bring us
Face to face with our God-Self,
Just remember we are Spirit and know ---
We are One!**

Got to hold on to the Truth, Dear,

(I said) Start each day with Love

(And) fill each day with Love

(Now) end each day with Love

(Yes) Fill each day with Love

 And dance in ecstasy each time!
I love you, LORD,
 Each single day and every night!
We are ONE LOVE,
 Forever dancing as pure Light!

Fire - Love Fire

Beyond birth and death, the Life of all Life I AM
Suns, moons, and stars, all hells and all heavens I AM
The Alpha - Omega, and all resurrection I AM
Beyond all conception, yet in each reflection I AM

Father and Mother, and Sister and Brother I AM
The friend and the foe, the thief and the stranger I AM
The shattered glass pane, yet always the same I AM
The ONE that is ALL, yet nothing at all I AM

I AM THAT I AM,

 God's first immortal kiss,
The Light of Love, in waves of Bliss
 That's what creation is.
 Abandon Hell
 And Heaven too - forever - just BE

His first step calls creation forth,
C7
And then the dance begins,
G7
It changes with each single beat,
C7
He lets His hand-drum sing,

wild,
C7
I dance with you deep in my heart,
D7 C7 G G7
I am your Loving child!

All forms and names appear within
This whirling spinning Light,
As body, mind, and soul appear
In waves of day and night!
As Nataraj keeps dancing on and on!

His eyes are closed in silent bliss,

**His smile is ecstasy,
As Love and Light expand and whirl
Into eternity!
Sai Nataraj keeps dancing on and on!**

Nataraj

**No loss, no gain, no birth, no death,
Creation is a dream,
Created by this dance of Light,
The mind projects this scene,
As Nataraj keeps dancing on and on!**

**We are the dance, the dancer too,
Our last step will reveal,
All separation is a lie,
We're ONE, and that is real!
We're Nataraj, Yes, all is truly ONE!**

Love is the Source

(© 1995 Lightstorm)

Chords (A, A7, E, E7, D7, C-, B7)

A *E7*
The glorious sunset dissolves into night,
D7 *E or C-*
My mind disappears in its flame,
A *E7*
Alone once again, to simply just BE,
D7 *C-*
And lose this form and this name,
B7 *E7* *A* *A7*
In silence, inner silence, I remain ...

C-
Love is the source, the fire that burns,
D7 *C-*
It whirls in the silence that IS,
D7 *C-*
As Light, as Love, and as Bliss,
D7 *E* *A*
It is ... My Lover's kiss ... Eternal Bliss ...

All dreams and desires, will drown in the Light,
Attachments will no longer bind,
The ego will die, in the fire of Love,
When Silence erases the mind,
True Silence, inner Silence, we will find ...
Love is the source ...

This deep inner Silence, this ocean of Love,
Embraces us all in the end,
We'll all reach the goal, Awareness of 'Self,'
True Oneness we will comprehend,
With Silence, inner silence, as our friend ...
Love is the source ...

Spoken
(voice over)

Sai Baba tells us,
"If you want to know God, then you must first know yourself!"
So, close your eyes, plug your ears if you like, and let us go
inward!
In the beginning thoughts may run wild, but they will go away.
Just remember to repeat "I AM!" silently.
Soon a feeling (or better) a knowledge of existence
- of BEING -
will rise up from deep within you.
Focus all of your attention on this BEING state, this "I AM!"
Hold on to that 'Awareness'
and that is all you have to do!
This Awareness of BEING of "I AM!" has always been with us!
It is forever, unchanging, and perfectly balanced in Bliss!!!
We are this Awareness, this Knowledge, this Bliss!
This Sat - Chit - Ananda, this God,
Our ETERNAL SELF!!!

Creation

(© 1973 Lightstorm)

Chords (A-, D-, G)

A-
Creation's like a movie scene, reflected on a big white screen.
D-
The screen is called God, Spirit, Love,
the one creation's made up of,
A-
And our life is the story seen, superimposed upon the screen.

G A-
Narayana Narayana

Projected through our ego mind
Our life becomes involved and blind,
And we forget it's all a dream
Just like old movies we have seen.
It's funny how we laugh and cry,
Involved with pictures rolling by.

Narayana

Fashioned by desires hand,
Our Maya films will never end,
Until we realize the game
And stop projecting form and name.
And then, tell me, what can be seen?
Only the empty big white screen!

Narayana
See the Truth,
only through the projection machine

called the mind,
can there be a birth and a death!
Only through desires
can delusion keep us from realization!

The million pictures that we've seen,
They cannot change or harm the screen.
 And if we took the screen away,
 No movies could be seen today.
So meditate upon the screen,
For that's what's called the great unseen!
 Narayana Love, Spirit, God, Self!

Songs from the - "Creation -Who am I" - album

(All songs by Lightstorm © 1969 - 1977 Tonall / BMI)

**A 90 minute musical concept album (or a musical play),
which probes the ultimate mystery of 'Self'-inquiry, of
"Who am I?"**

Overture ab ovo

(spoken introduction)

**In the beginning there came Sound from the Omnipresent
Divine Love force, called Spirit, Energy, Nagual, Creative
Power, God or Love!**

**The Sound is Aum, Om, or Amen, the all pervading basic
structure of this creation. When the Om sound mixes with
Time and Space, it causes many explosions, Eruptions and
Collisions in the Flow of Continuum called:**

**Sound - Resound, Action - Reaction,
Cause and Effect, or Life and Death!**

**All the different Cosmic Light refractions and magnetic color
patterns originated in this manner and soon transmuted and
crystallized themselves into now existing and forever changing
cosmic game fields; and every animate and inanimate part of
Creation therein.**

**The Divine willpower which is a direct manifestation of the
soul, then expressed itself as Desire; and through Desire, Spirit
soon identified or realized itself as the five elements.**

**First as sky or Ether, then as Wind or Air, then as Fire,
As Water, and finally as Earth!**

**And all this was done through the projection machine called
The Mind!**

**You see, Spirit realized itself as a polarized duality, of
Positive and Negative:**

**As Thought, as Feeling, as mineral, as Plant, as Animal, and
finally as Man - he finds himself within continuous cycles of
Birth and Death!**

**The reason being, to once again merge, merge into One Self
and become the completeness of Itself -**

Through the game of experiencing, of Loving Itself -

**By learning and sharing, perceiving, expanding, and finally by
realizing our Oneness!
Our True, Eternal, Unchanging Nature of Love, Truth, Peace,
and Bliss!
Life is a Dream - realize it!
Life is a Game - play it, but play it well, without attachment to
the fruits of your labors!
Life is a Challenge - meet it boldly, face to face!
Life is Love - enjoy it as Sharing!
Life is a Song - sing it as the Glory of God!
Yet, of what use is just dry knowledge, if we cannot find the
willpower to exercise the Disciplines of Moderation and to gain
(and then utilize) the Wisdom from all of our experiences?
And how, how do we fiend the Truth, except by constant
Inquiry within us, as to ...
“WHO AM I?”**

MAYA

(© 1973 Lightstorm)

(Instrumental song in Key of A-, G)

Spoken

What is a dream?

What is Reality?

**We as body, mind or soul are a dream;
for everything is just a dream experience,
either by day or by night!**

But what we really are is

Existence - Knowledge - and Bliss!

We are the God of this universe!

**We are creating the whole universe (creation) and drawing it
in!**

And only the delusive power of Maya

(the Mother of Creation Herself)

makes us believe this ever changing Dream of Duality!

But all Dreams are Lies!!!

(Spoken)

**To gain the Infinite, Universal Individuality,
Our miserable little prison of ego must go!**

Baba

Birth of Creation

(© 1974 Lightstorm)

**Planets are whirling, colors are swirling in Light,
Gases are fuming, give us Light!
Mountains are crashing, heavens form clashing,
Bodies in Space - here is Light! We are Light!
Paradise formed from a hellish scheme,
Swamp poison grays grown to green,
Volcano reds, covered over white snow,
Ash turned to riches, to feed and to grow,
We are Love, ... given all!**

**There is a purpose, Love is the Truth,
We are Love and we are here,
It is done to serve and to give all
To the experience, ... to Love ...
To give all to the experience of living!**

**We turn earth by hand, and in turn become the earth,
We are star, we are sunshine,
We are fountains of rain, we know the joys, know the pleasure,
Sorrow and pain, we are Love, we are Love!**

**We are creation and Creator as One,
To Love and to give, is why we have come,
As warriors of Truth, we follow the Flow,
As Love unfolds, Perceptions grow,
We are Love, ... given all!**

There is a purpose

Walking into the sun
(O my Love ... © 1971 Lightstorm)
Chords (A-, G, F) or (C-, A#, G#)

A-
After a hard day's work has been done,
G A-
My Love and I walk hand in hand.
A- G A-
We know that we are forever one Love,
A- G F A-
As we find peace of mind walking into the sun,
A- G F A-
And we feel the expansion of Love that has come.

A- G F A-
Ohhh ... MY LOVE ...

We watch our footprints here in the sand,
As the waves now wash them away,
All that remains are the traces of my mind,
As we find harmony in the flow of the tide,
And I know that forever you'll walk by my side.

O, MY LOVE ...

The sun is now sinking, a red fireball,
It's reflection is kissing the sea.
Now we will merge into memories of Love,
As we slowly embrace the warm glow of the sun,
And the wind will caress us as Love ... makes us ONE!

O, MY LOVE ...

The Message

My Dears,

Accept my Blessing and Love!

**Each one from ego takes his birth and clad in Ego dies;
And comes and goes, gives and receives, and earns and spends,
and deals in lies or speaks the truth, in ego all the while!
Heaven and hell and incarnations, all these from ego are not
free!**

**Those who do away with their ego, attain salvation!
The Lord is ever True, and higher than the Highest Is,
But you must crush your ego and realize Him.
He is in you, with you, around you!**

Be happy!

**With Love and Blessings,

She's a realized witch, with a pair of laughing eyes,
She will haunt your dreams, until you're hypnotized,
Then smile at you and say, "All right,

She'll give you Fever, ... which fever tonight !

Fever - Fever - Fever - Which Fever do you want?

Which Fever, which Fever

Do you want the fever that will give you fortune and fame?
Or do you choose Love Fever that'll set you free again?
She'll smile at you and say, "Come on,

The Divine Hindu Epic Story in a 60 minute song format.

Introduction: D-, C, A#, A-

C *A-*
In this immortal celestial song,
C *A-*
It tells the story of right against wrong,
C *D-*
It’s also the war in the mind of man,
G *A-* (*repeat chords every verse*)
So, listen well to the tale at hand.

The house of the Kurus had worldwide fame,
‘Till the evil Kauravas, brought it to shame,
So the righteous Pandavas, set it right once more,
With the help of Lord Krishna, and a savage war!

Since childhood the princes, competed in play,
But soon all their games, they started to fray,
The Kauravas felt envy, then hatred set in,
Malice soon followed their Pandava kin.

They poisoned Bheema, then tried to drown him,
The Kauravas just hated to see him win,
Since he was the strong man of the brothers five,
But Bheema escaped their trap alive.

They burned the Pandavas, in a palace of wax,
But they all escaped, without leaving tracks,
They returned with Draupadi, their new bride and queen,
To rule half the kingdom, in spite of the scheme.

Oh, Duryodhana was livid with rage,
His maniacal ego would now set the stage,
He schemed with his uncle, Shakuni by name,

To cheat the Pandavas in a rigged dice game.

He challenged his cousins to a game of dice,
Yudhishtira accepted, though it was unwise,
But the code of right conduct, he had to uphold,
So, the five Pandavas soon entered the fold.

They gambled and lost, it seemed like a dream,
They lost their kingdom, themselves, then their queen,
Now Duryodhana had triumphed at last,
But the royal assembly was all aghast -

As beautiful Draupadi was dragged by her hair,
Not one court elder tried to stop this affair,
And when the kings son, showed his thigh to her face,
Bheema vowed, "It will be crushed by my mace!"

The Kauravas continued their sport of sin,
By disrobing Draupadi, the bride of their kin,
Five husbands stood pale, they could not intervene,
Bound by the law, they could not save their queen.

Her pleading eyes searched the court room in vain,
But the elders just bowed their old heads in shame,
Now her only refuge was her KRISHNA Divine,
She called on the Lord, to save her in time.

And Lo and Behold, right before everyone,
Her sari unraveled just on and on,
Her honor was spared, the queen saved her face,
As a deadly hush came over the place.

Her voice cried out, like thundering doom,
"There is no sabha, there is no court room!
There is no justice, there are no elders,
Where there is no righteousness!"

"Am I a slave, or am I a queen?
Will no one stand up to what you have seen?"

**I demand the hand, that has dragged me in,
To be cut from Duhshasana's arm of sin!"**

**Now Bheema could contain himself no more,
And before Duhshasana could reach for the door,
His terrible oath rang throughout the room,
"I'll rip him apart! ... I'll drink his blood soon!"**

**The assembled elders now censured the deed,
So king Dhritarashtra proclaimed them all freed,
He gave back their kingdom, and all they had lost,
Thus keeping the peace, in spite of the cost.**

**But his wicked son said, "Oh, they'll never forgive!
We insulted Draupadi, they won't let us live!
They'll bring their army, we all might be slain,
So, let's send them to exile with a second dice game!"**

**Tired and weak, the king gave consent,
Knowing his son would never relent,
The Pandavas were summoned, the stakes made clear,
Now future and fate would be decided here!**

**The Pandavas stood silent, their faces ash white,
Knowing that Dharma was their only might,
Once more their kingdom was lost in the game,
And for thirteen years they had to remain - in exile -
G, A- Oh no my Lord, this cannot be right,
G, A- Maybe this time the Pandavas should fight?**

**So, Lord Krishna advised them to fight right away,
But only to show, what Dharma must say,
And also to glorify Yudhishtira's name,
But to Draupadi he promised revenge for her shame.**

**Yudhishtira said, "Lord, let's finish this game!
We'll go to the jungle, we'll all bear the pain!
For the sake of Dharma, we now must restrain,
So let it be written, so let it remain!" Thus for thirteen long
years they had to remain - in exile!**

D-, C, A#, A- (under the spoken parts)

You see, this was the wager:

For twelve long years the losers would have to give up their kingdom and live in the forest. And then they would have to spend an entire thirteenth year unrecognized in some inhabited place. However, if they were recognized before the year was up, the losers must then once again return to exile for another twelve years. But if unrecognized, the losers would have fulfilled the terms of the wager and get back their kingdom. So, for twelve long years the Pandava princes, along with their queen, lived like simple hermits in the jungles of India!

Sages and saints would visit and stay,
Their pure love of God, would call them each day,
In wisdom and patience, they spent day and night,
But everyone knew, they would have to fight!

So Arjuna did tapas, in order to gain,
The Grace of heaven, and then to attain,
Some divine weapons that would help in the fight,
For Dharma, for God, for Truth and for Right!

(Fast riff *D-, C, A#, A-*)

Twelve years flew past, the time was at hand,
When they had to hide in some distant land,
They chose the kingdom, where Virata was king,
They all took disguises as servants to him.
For one year exactly, they hid in this way,
Then sent a message on the very last day,
To inform the Kauravas that now they had won,
And to give them back their rightful kingdom!

Oh, Duryodhana's rage knew no bounds,
"I'll kill the Pandavas on the battleground!
No kingdom, nor five cities, will I give to my kin,
Not one needlepoint of land will I let them win!"

The five Pandavas, oh, they wanted no war,
But this was too much, it had gone too far,
There comes a time, when one must fight,
For Dharma, for God, for Truth and for Right!

G, A- Yes, for God, for Truth, for Love and for Right!

**And still Yudhishtira asked, “Oh, Krishna, please,
Go to their city and try to appease,
Our evil cousin before he will die,
And all the brave kings, who believe in his lie!”**

**Krishna then said, “I will do what you ask,
But know Dharmaraja, it’s a useless task,
This war must be fought, as a fight for all,
Cause Dharma must rule, or this world will fall!**

G, A- Yes, Dharma must rule, or this world will fall!

**G, A- Know that Dharma must win, or this world will
fall!**

(Fast riff D-, C, A#, A-)

**So, the Lord Himself, went out to try,
To avert this war, where great heroes would die,
But He knew all reason would be in vain,
This war would be fought in Dharma’s name!**

**The king’s son was Ego personified,
With his close companions of Lust, Greed, and Pride,
Vidura and Beeshma, knew this was the truth,
All the wise men agreed, to fight was to lose!**

**This Duryodhana just could not take,
He stormed from the hall with anger and hate,
And all of his friends, they followed behind,
You see, following Ego makes everyone blind!**

**But he was recalled by his mother the queen,
Who tried to show him his vain Ego dream,
But conceited he sneered, “Just watch my great skill,
All alone the five brothers I vow to kill!”**

**Grandsire Beeshma called his boast absurd,
For he knew the truth, from what he had heard,
He understood Dharma, steadfast and true,
But his pledge to the king, he could not undue!**

Beeshma was certain, from what Krishna said,

That all the king's sons were as good as dead,
100 strong sons, the king was to blame,
His avarice greed, was his claim to fame.

Krishna suggested one last way to stop,
"Bind the four villains, and please give them up,
To the five Pandavas for Dharma's sake,
Then your kingdom won't be plunged in a wake!

And the Krishna showed the Kaurava clan,
His Omnipresent Self, He revealed His plan,
His mission was Love, and Dharma combined,
The establishment of both, He would leave behind!

Then Dhritharashtra said, "Oh, Krishna please know,
You saw for Yourself, we all tried to show,
My son the wrong of his Ego state.
Lord, I bear You no ill, the Pandavas no hate."

"But I can't betray my sons, my blood,
My son holds the power, You saw him strut.
I'm blind and helpless, oh Krishna, Divine,
My attachment, my pride, shaped this son of mine."

So Govinda left in His chariot,
His sadness and Love, was seen by a lot,
For He knows all, from beginning to end,
He's the Lord of ALL, the Pandava's friend.
G, A- He's the Lord of ALL, He's everyone's friend!
G, A- Yes, the Lord of Love, is everyone's friend!

*** So, now war seemed inevitable ***

D-, C, A#, A- (under the spoken

parts)

Soon both sides made preparations for the impending war.
Both Arjuna and Duryodhana went to see Krishna to seek His
help. Krishna said, "Oh, I love you both my kinsmen, but I
cannot divide my army. So, therefore one of you must choose
me alone, and then the other will have the support of my army.
So CHOOSE!"

Without hesitation Arjuna exclaimed, "I choose You, Krishna, please be on our side!" Duryodhana agreed and took Krishna's army to fight on the side of the Kauravas. But I must tell you, he was secretly very pleased and thought Arjuna a fool, trading one Krishna for the mighty Yadava army. So, now both sides prepared themselves by enlisting countless kings and heroes of their time, to fight on their side. You see, it was improper for Krishna to bear arms in this war, so He told Arjuna that He would accept the job of being Arjuna's charioteer. Before too long, all the preparations were complete.

The Kauravas anointed their Grandfather Beeshma as their commander in chief. He was supported by such great masters and heroes like: Dronacharya. Drona was a master of weapons. He was also the guru, or teacher, to both, the Pandava and the Kaurava princes. Then there was Salya, and Radhika, or Karna as he was also called, who was the eldest son of Kunti, her first born, whom she sent adrift in a basket. But later in life, Duryodhana became his friend, gave him a kingdom, and thus became his sponsor.

And of course there was Kripa, Shakuni, Duhshasana, and many other countless kings and heroes of their time.

The Pandavas asked Lord Krishna to choose their commander in chief. And Krishna decided to follow Arjuna's suggestion and thus Drishtadyumna was anointed. He was supported by such great kings and heroes as: Drupada, Satyaki, Virata, and Abhimanyu. Abhimanyu was the brave and skillful warrior son of Arjuna. And oh, there were many other kings and heroes who flocked to the Pandava side. And of course the five Pandavas themselves.

They were the sons of king Pandu, who was Dhritharashtra's brother. Pandu retreated into the forest because he had been cursed and he wanted to live the last years of his life in search of himself, in the search of God. He had two wives, Kunti and Madri. Kunti was the mother of the three older Pandava brothers. There was:

Yudhishtira - who was the eldest, also known as the son of Dharma. And then Bheema - he was the strength of the Pandava army. He was also known as the son of the wind God. And of course Arjuna - who was nobility, courage, steadfastness and skill combined. He was also known as the

son of Indra, who was king of the heavens. And Madri, the second wife, was the mother of Nakula and Sahadava, the heavenly twins, the two youngest Pandava brothers, and they represented wisdom, beauty, steadfastness, and all the arts combined.

So, now both sides were ready. Standing there on the Kurukshetra, facing each other.

The Kaurava army was arranged in the crescent formation. You see, they had eleven divisions, and were far superior in number.

The Pandava forces had only seven divisions, and because of that, they arranged themselves in the needle formation.

Arjuna had been elected to start the fight with his mighty bow Gandiva. So he asked Krishna to drive their chariot right between the two armies, so he could see his foes clear, and start the battle!

Now this next part of the epic Divine,
The Bhagavad Gita tells us of the time,
When both armies stood ready for war,
And Lord Krishna taught the world once more.

The Kurukshetra was the battleground,
It echoed with war cries and Beeshma's conch sound,
Yudhishtira stepped forth, laid his weapons down,
And crossed the war field, watching everyone frown.

"A coward he is, he's stricken by fear!"
Said Duryodhana as he saw him come near,
But Krishna smiled, His eyes shining bright,
Vasudeva announced, that this act was right!

Because Dharma could never begin this fray,
Without benediction from the elders that day,
So unarmed and barefoot to their side he went,
And walked right up to his Grandsire's tent.

He bowed low and asked to be blessed right then,
By Beeshma and Drona and other family men,
They smiled with respect, with Love and with pride,
And the son of Dharma was blessed by their side.

**They called his act worthy, they knew he would win,
But their life was pledged, through attachment and sin,
To fight this war, which they knew to be wrong,
Against the Pandavas, so righteous, so strong.**

**Dharmaraja returned, the time had now come,
Each side was ready, now all had been done,
So Arjuna with Krishna as his charioteer,
Drove between the armies, to see his foes clear.**

**With Gandiva, his bow, he was elected to start,
But on looking around, a pain struck his heart,
His kinsmen on both sides were men walking dead,
Arjuna's bow slipped, despair filled his head.**

**"My life with grief and sorrow will burn,
Krishna please show me what I must learn,
I cannot kill my kinsmen this way,
I'd rather give up this body of clay!"**

**"Oh how can I kill, my Guru, my kin,
I'm doomed to loose, even if we win,
What is my duty, Lord please be my Light,
Guide me Govinda, cause I cannot fight!
G, A- Govinda, Lord, I cannot fight!
G, A- Oh Kesava, please be my guide!"**

D-, C, A#, A- (under the spoken parts)

**Oh, Lord Krishna smiled, because you see, when a man finally
sees that the God in himself is the same God, Atma, Spirit or
Soul in all other things, then he will not hurt himself by
inflicting pain on any other being. It is then, and only then,
that anyone is ready to go onto the path of the highest
realization. So, now Arjuna was ready to learn as an example
for all of humanity!**

**Lord Krishna smiled and Sadguru began,
Since Arjuna was now ready to understand,
The Sat-Chit-Ananda, the Atma in all,**

And to fully learn about his duties call.

**“Desire must die, so the immortal Soul,
Can shine through the body and be in control,
Use your sword of wisdom to slay every doubt,
Ignorance is just delusion’s shout.**

**It makes you believe the unreal is real,
And keeps you in bondage to all that you feel,
Your Soul is eternal, it’s always the same,
All else will change, that’s the name of the game.**

**And Dharma’s the duty of each righteous man,
Without attachment to the fruits in the end,
Each man has a duty he was born to do,
It only depends, how well and how true.**

**Oh Arjuna, you are the immortal Soul,
So realize now that ignorance stole,
Your wisdom, your detachment, friend,
My Maya’s got you in the palm of Her hand!**

**And all of your kinsmen that are now facing you,
They to their Dharma in life were untrue,
But they cannot die, and you’re not to blame,
Each one his own Karma must claim.**

**Karma must balance all give and take,
The constant debris that all men make,
Whether kindness and Love, or malice and greed,
Reaction’s the price of each single deed.**

**Your Soul is eternal, oh it can never die,
Your attachment to name and form is a lie,
All is my will, as it must always be,
This is the Truth, eternally!**

**So, rise above your senses, oh immortal One,
Through the wisdom of Yoga, this can be done,**

You're born a warrior, your duty's to fight,
Against all evil, for God and for Right!
G, A- Stand up Arjuna, for God and for Right!
G, A- Come on dear friend, your duty's to fight!"

"I'm still confused, oh, life is unfair,
This world contradicts Truth everywhere,
Which is the road to attain the Supreme?
Please, help me Lord, to dispel this dream!"

Govinda was patience, Divine and complete,
So once again, He began to repeat,
Through Devotion and Wisdom, and Karma Yoga of deed,
Done without attachment, that's how man is freed!

Renunciation is also part of,
The attainment of God, the Highest Love,
God or Father, or Mother Divine,
Creator of All, they're all names of mine!

So dedicate your mind, your Heart and your Soul,
Just do it for me, make God your goal,
Then I will guide you in every way,
So arise great warrior, fight for me today!
G, A- Come on, it's time, fight for me today!
G, A- Get up my friend, fight for me today - Look
Arjuna!"

Then Krishna revealed His Cosmic Face,
'Till Arjuna was blinded by so much Grace,
ALL of Creation, from beginning to end,
Was contained in the form of Krishna, his Friend!

"I AM Creation, I AM that I AM!
When Adharma rules, I take birth as a man,
To establish Dharma, and proclaim the Truth,
So when I take a birth, everyone must choose!

Arjuna the mind is called the field ,
In this war against Ego, I'll be your shield,
And to everyone, I'll be charioteer,

If he calls on Me, and if he holds Me dear.

Blessed are those with the inner eye,
They see only God, all else is a lie,
They all understand this life as a dream,
They all ride on Bliss into the Supreme!

So, completely surrender everything to Me,
That is one way which will set you free,
So let darkness vanish, merge into My Light,
Dispel delusion, your duty's to fight!

G, A- So arise, great warrior, your duty's to fight!

G, A- Come on Arjuna, the time is now right!"

Arjuna arose, Gandiva in hand,
He lifted his bow, they could all see him stand,
The twang of his bowstring rang loud and clear,
Arjuna was ready, gone all his fear.

"Krishna, I love You! You are my goal!
You live in my heart, You are in control!
My faith is now firm, no doubts can come,
I'm ready to say, 'YOUR WILL BE DONE!'

G, A- Lord, now I can say, 'Your will be done!'

G, A- Forever Lord, Your will be done!"

*** And so the great war began ***

Kettle drums, conches, and trumpets galore,
Elephants charging, the warrior's wild roar,
Heralded the charge that day in the sun,
It was terrible carnage, the war had begun!

The Pandavas fared badly that very first day,
But from then on it was a different array,
The Gods came to watch all the heroes match skill,
Yes, many brave duels made the heavens thrill!

Arjuna's prowess made Beeshma so proud,
As they fought their last duel, the Devas cheered loud,
'Till Shikandin arrived, who'd been born to slay,

The great master bow-man on the tenth day.

**Shikandin's last life was in a woman's frame,
Who believed that Beeshma was the cause of her pain,
So she vowed revenge, then earned Shiva's Grace,
Now born as a man, they stood face to face.**

**Beeshma knew this, so he did not fight back,
As Shikandin's arrows shielded Arjuna's attack,
Soon his fatal arrows struck Beeshma's chest,
Who was proud to die, thus killed by the best.**

**Beeshma fell backwards, a smile crossed his face,
Cause the arrows that pierced him made a bed of Grace,
They suspended his body between heaven and earth,
This was in honor of his noble birth.**

**His head was drooping in an awkward way,
So he asked Arjuna for assistance that day,
With three sharp arrows he obliged the request,
And propped up his head so Beeshma could rest.**

**The points pierced his skull, his mind became clear,
Once more he recalled as his kinsmen drew near,
His knowledge of Dharma, Divine and complete,
As everyone gathered at the warrior's feet.**

**"I'm thirsty," he said, looking up at the sky,
So Arjuna aimed down, let one arrow fly,
Soon a stream of water gushed out of the ground,
Now Beeshma could drink as they gathered around.**

**By now all delusion had left his brain,
He reviewed all the laws of Dharma again,
And the son of Ganga discoursed to them all,
The kings unclean food had caused his great fall.**

Then he made his vow, he spoke it with force,
“I’ll only die, when the sun turns north!
I’ll choose the moment, auspicious and right,
For my Soul to merge into the Clear Light!”

*** Soon the fighting was resumed one more time. ***

Now Drona commanded the Kaurava clan,
With Divine weapons, one in each hand,
This master of mantras, Parashurama’s heir,
An invincible warrior beyond compare.

Abhimanyu was killed in an unrighteous way,
This great boy hero earned his fame that day,
The murderous deed was witnessed by all,
Now it was time, the Kauravas must fall!

So Krishna suggested a trick to use,
To stop the fierce Drona, or their side might lose,
He promised to shoulder all of the blame,
For all things done in the Lord’s own name!

Drona’s attachment was Ashwathama, his son,
So Krishna explained what had to be done,
Yudhishtira proclaimed he could utter no lie,
So Bheema made sure his elephant would die.

Dharmaraja felt guilty as he half lied,
When Drona asked him if Ashwathama had died,
So he softly added, “I mean the elephant... ”
But Drona believed his son’s life had been spent.

So Drona stopped fighting, it mattered no more,
He assumed a Yoga pose on the chariot floor,
That’s when Drishtadyumna cut off his head,
But Drona’s Soul had already fled.

His Spirit rose high for all to see,
Drishtadyumna’s revenge was called unworthy,
The heroes felt horror, such conduct brought shame,
Dispersed was his deed, it had no claim to fame.

**On the same day, Bheema, fulfilled his first vow,
He killed Duhshusana, ripped his arm out somehow,
He drank his red blood, dancing with glee,
Shouting, "Draupadi, I've done it for thee!"**

**Then Radhya was killed by Arjuna's steel,
As he tried to dislodge his chariot wheel,
This again was unrighteous in everyone's eyes,
But when Adharma rules, more Adharma will rise.**

***G, A-* Yes, when evil rules, more evil will rise!**

***G, A-* When Adharma rules, more Adharma will rise!**

**It seemed to all in those turbulent days,
That Krishna condoned many unrighteous ways,
Just to make sure the Pandavas would win,
How could Krishna allow such unrighteous sin?**

**But all wise men know, God showed everyone,
If violence is used, more violence will come,
And to right any wrong in this Ego way,
Each side will lose righteousness that day.**

**Karma is action that all men must make,
The law states reaction must follow it's wake,
This war is reaction to wrong actions sent,
By Lust, Greed, and Ego, who would not repent.**

**This war is for kingdom, or the heart of man,
Whether good or evil will rule the land,
With God on our side all hearts will win,
Bad habits are doomed, like the Kaurava kin!**

**Kauravas were beaten, Pandavas had won,
And Duryodhana was now on the run,
His body was wounded, with fever it burned,
He knelt in a cool pond, and that's where he learned.**

**But the waters of Wisdom cooled him too late,
He'd been ruled by Ego, Lust, Greed and Hate,
The law of action and reaction was clear,**

When he saw the five brothers drawing near.

**So he and Bheema fought their last fight,
A battle royal with maces of might,
'Till Bheema recalled the vow that he took,
And suddenly his whole body shook.**

**With a scream he delivered the decisive blow,
But no cheers were heard, it was far too low,
Their fighting code said it was wrong and unfair,
But his vow was redeemed, so he did not care.**

**But when Bheema stepped on the prince's face,
Yudhishtira shouted, "Stop this disgrace!"
Balarama arrived at that moment in time,
Enraged he stepped in to punish the crime.**

**But Krishna stopped him, took his brother aside,
He explained the insults to Draupadi, their bride,
And all other reactions to wrong actions sent,
Until he calmed down his brother's contempt.**

**At last it was over, now Dharma could rule,
Protecting the righteous and establish it's school,
As Ego lay dying in the hot Indian sun,
The Pandavas chose God, and God has won!**

***G, A-* They chose the Lord, and the Lord has won!**

***G, A-* Yes, they chose the Lord, and the Lord has won!**

The
SAI PREMA GITA

Sai Baba Avatar Trinity

By
Lightstorm

Dedicated to our Divine SELF in all!

**Whenever dharma or righteousness declines,
when greed, corruption, hate, fear, and insanity
along with lust and violence dominate the world,
God has declared that at such a time
He will manifest Himself in human form,
to reestablish the principles
of TRUTH, PEACE, and LOVE**

**So it is written
and we, the now living multitudes on this earth,
have been graced with the highest blessing in creation.
We can personally witness THE PREMA GITA,
This divine song of love and life of the SAI AVATAR!
It was in 1854 when the first act
of the divine three part Drama began to unfold.
It all began in India, near Bombay, in a small village
called SHIRDHI.**

**When the darkness of ignorance swallows the world
and adharma is seen everywhere,
When the light of true wisdom is hidden by greed,
by ego, by lust, and despair;
When evil men kill without a care
And Lovers of truth live to dare.**

**That's when the Lord of creation appears,
He takes on the birth of a man,
To show us again that Love is the way,
He takes mankind by the hand,
'Til we learn to understand,
He takes each stretched out hand**

**This advent of our dear SAI AVATAR
Started last century, in 1854 there
Appeared a young man,
In the village called Shirdhi;
He sat under a neem tree
For everyone to see**

**This handsome young fakir of sixteen years,
Said, "Allah Ho Akbar" to all,**

**"God is great, the sole owner of all",
"Allah Malik" was his call,
His life an example to all,
A message of Love to all.**

**Smiling, he sat by that old neem tree,
Absorbed in the truth of himself;
He came for the sake of His devotees,
He was detachment itself;
Said, "God is our true self",
"Experience is yourself!"**

**He was humble and totally egoless,
So people came by every day,
Brought flowers and fruit to this holy youth,
They listened to all he would say;
He taught each heart how to pray,
The villagers asked him to stay.**

**Hindu and Muslim, Christian and Jew,
And Buddhist and Parsi alike,
They all believe in the ONE TRUE GOD,
But each thinks he alone is right;
This error causes the fight,
Ego hides truth and Light.**

**This divine young fakir showed us the truth,
That there is only ONE GOD,
This God has many forms and names,
So why should this seem odd?
That there is only ONE GOD
Forever just ONE GOD.**

**After three years, he left suddenly,
But soon he returned once more,
He arrived with a wedding in the temple court yard,
The priest knew him from before,
Shouting "Ya SAI", from the door,
"SAI...BABA", he called once more.**

SAI means 'great saint' or 'one with god',
And BABA means 'father' to all,
So that's how the youth got his divine name,
From one single, joy-filled call;
This name was a message to all,
"SAI BABA", was the call

SAI BABA stayed at a ruined mosque,
Right on the outskirts of town;
And the people who now came from near and far,
Sai Baba would soon astound,
His miracles were seen all around,
Blessed was Shirdhi town.

He turned water into burning lamp oil,
His words became physical law,
If he spoke a thing, then so it was:
Soon everyone was in awe,
They came, they listened, they saw,
He filled the all with awe.

His sacred fire burned continuously,
And the ash that would remain,
Sai Baba's "UDDI" as it was called,
Was given to those that came,
As a blessing, a cure or for pain,
His deeds gained worldwide fame.

His divine teaching showed the world once more,
That true religion is LOVE;
And there is only ONE GOD for all,
Though Sai was eccentric and gruff,
His acts prompted by love,
Pure love is always enough.

In 1918, right before he died,
Shirdhi sai left one last clue,
"In eight years", he said, "I will come again",
"And be once more with you."
"Yes, this I tell you true",
"I'll always be with you."

CHORUS

Shirdi Sai Baba
Appeared at first,
Now Sathya Sai Baba is here!
Prema Sai Baba will be the third
Incarnation of the Sai Avatar!
There is no need to fear,
He's right here!
Sri Sathya Sai Baba, so dear,
Oh so near, so DEAR!

The Vishnu Purana states, 'God will come',
In this KALI age He'll appear,
He'll be dark in color, with great energy,
And that time is now here.
So there is no need to fear,
Sri Sathya Sai Baba is here!

Jesus Christ was born to die on the cross,
To fulfill the old Prophecy,
But one day He spoke of the ONE who sent Him,
He stroked a black lamb tenderly,
And said, "Someday you will see,
The Father who has sent me!"

"His hair will be like the wool of this lamb,
HE who sent me, will come again!
His robe will glow like the blood red sun,
Covering His dark frame,
And Truth shall be His name!"
The Christ did thus proclaim.

Mohammed told us, the Great One will come,
He'll be born in the East, for you,
One day His skin will look like molten bronze,
The next day midnight blue.

**And that will be one clue,
His skin will change it's hue.**

**With forehead concave, and a mole on his cheek,
And the small bump on His nose,
His body will be small, yet majestic and strong,
Grace from His head to His toes.
He'll be born when Evil grows,
In a place nobody knows.**

**Mohammed wrote in his "Works of Light"
The HADIS, the book of Truth,
That the GREAT ONE'S dress will look like a flame,
And hang down free and loose.
His hair will be profuse,
Rejoice at this good news.**

**"A most holy Buddha," Sidhartha said,
Will come with a message for all,
His Love is the key, to end birth and Death,
Enlightenment is His call,
In your heart He will install
Love and Compassion for all!**

**This GREAT HOLY BUDDHA, is Living Love,
He'll enlighten all who will come
His followers will be the multitudes,
His Life a glorious one,
More splendid than the sun,
He'll prove that all is ONE.**

**Black Elk an American Prophet foretold
Of a true Spirit Brother in Red,
He'll come from the East, change the hearts of men,
He'll wear a cloak of red.
He'll even raise the dead!
Dark curls will crown His head.**

**The Hopi Indians have long foreseen,
That this Spirit brother will come,**

**With Great Spirit powers He'll save mankind,
Three lives He'll live as one,
Till His mission will be done,
Then peace on earth can come.**

**Edgar Casey and Nostradamus foretold,
That a great upheaval would come,
But a World Uniter will show us the way,
And how things must be done,
For peace on earth to come,
And that time has now come.**

**He'll avert a cataclysmic holocaust,
And teach us all how to cope,
With Life and Death, and the Karmic Wheel,
He'll give each heart new scope,
His pure love will soon evoke,
Our love and brand new Hope.**

**The Lord of Creation now walks on earth,
Love is His form and His way,
Truth is His breath, and Bliss is His food,
His life, is His message today,
Expansion His Life, come what may,
TRUTH is His name today.
No power on earth can kill this Great One,
Creation He holds in his hand,
His power goes far beyond Life and Death,
His majesty few understand,
His Love is without any end,
His glory we can't comprehend.**

**All of the major religions concur,
That this great world teacher will be,
Born to reestablish Truth, Peace, and Love,
And teach us harmony.
This great MESSIAH we'll see,
In the twentieth century**

CHORUS

Shirdi Sai Baba
Appeared at first,
Now Sathya Sai Baba is here!
Prema Sai Baba will be the third
Incarnation of the Sai Avatar!
There is no need to fear,
He's right here!
Sri Sathya Sai Baba, so dear,
Oh so near, so DEAR!

So in Puttaparthi in Anantapur,
1926 was the year,
When Sathya Narayana Raju was born,
It was a day of great cheer,
The signs were perfectly clear,
Once more the Lord was here.

A large king cobra was seen that day,
Right under Sathya it lay,
And instruments played of their own accord
As if they meant to say,
"Mankind rejoice and pray,
And remember this holy day!"

The same Lord RAMA of ancient times,
Was reborn on that sacred day,
He was also Lord KRISHNA, the Lord of LOVE,
Whose beauty words can't convey,
He's here as Sai Baba today,
To once more show us the way.

A thousand and one names of God were sung,
As people came by all day long,
The village priest led them all in prayer,
And sweet devotional song.
Their love of God was so strong,

To God all hearts belong.

Iswarama and Vankatappa,
The parents of Sathya Raju,
Were blessed with this child of Divine Love,
Whose skin was dark in hue.
Yes, deep in their hearts they knew,
The prophecies had come true.

SAI BABA was asked if He had been conceived
Just like a normal man,
His mother was there, so He pointed at her,
And told her to tell us first hand.
So that we might comprehend,
And learn to understand.
"About this avatar"

Early one morning His mother had gone
To fetch water from a well,
When a great rolling sphere of bright blue light
Rolled over her as she fell
In a gentle dizzy spell,
It entered her womb as she fell.

That instant she knew, she'd been touched by GOD,
She felt blessed right to the core,
As that mystical light filled her womb and heart,
She knew what was in store,
She had become the door
For GOD to be born once more

In a dream her husband was told to accept
His wife's strange pregnancy,
That it was all part of God's great plan,
And he would clearly see
God's divine majesty,
If he watched patiently.
Thus Sathya grew up in Puttaparthi,
And soon everyone could see,
That He was not just an ordinary child,

Creating things magically,
Composing divine songs constantly,
And writing plays of divinity.

When Sathya would bring home stray animals,
And strangers to feed every day,
His mother would scold Him for being so free
With their hard earned food this way,
But to her complete dismay,
“give them my share!” He would say

Sometimes school bullies would beat Sathya up,
Because He was always so smart,
He knew all the answers, the teacher would ask,
This frustration was the start,
Soon jealousy played it's part
‘Till anger hardened their heart.

He silently bore all their insults and pain,
Still, He never cast one word of blame,
As He quietly picked up His scattered school books,
And continued singing God's name.
This act in itself did proclaim,
That to Him praise or blame are the same.

But even these bullies found it hard to stay mad,
And to hassle this sweet child of joy,
Before long they called Him their Guruji,
Since for every girl and boy,
He materialized some toy,
And filled each heart with joy.

One favorite game that they all loved to play,
At the wish fulfilling tree,
Where Sathya would ask which fruit they liked,
Then fill each request laughingly.
Plucking different fruits from the tree,
In a way so they all could see.

Sathya often turned frogs into swallows that flew,
Right out of His Divine hand,

He delighted His playmates continuously,
Even though they could not comprehend
When He created for them out of sand
Objects they held in their hand.

His powers transcended all natural Law
His Love was beyond compare,
All the children call Him their Guruji,
And followed Him everywhere.
Soon the village became quite aware
That Sathya was not ordinaire.

At School out of empty brown paper bags,
Out of thin air, so to speak,
He created all sorts of objects and sweets,
Prompted by love complete,
His Dive Love-giving streak,
And not just some magical feat.

Word soon got out about all these things,
In School He was always the best,
He knew each lesson before it was taught,
He would ace the hardest test,
Smiling quite effortless,
He would barely show interest.

Instead He composed Divine songs in class,
Yet still He knew everything
Then one day a new teacher grilled Him mercilessly,
Still correctly He answered each thing,
The teacher just could not win,
Quite frustrated, he punished Him.

Like a dunce he made Sathya stand on the bench
Even though He had answered correct,
The teacher's actions seemed quite unfair
It showed such an angry neglect
For Dharma, instead of respect,
So Sathya divined this effect.

The teacher was totally stuck to his chair,

No matter what He tried to do,
So embarrassed he sat there, until at last
The principle came, cause he knew,
What this child Avatar could do,
To him this was nothing new.

He walked in and smiled since he understood,
And suggested quite playfully,
For the teacher to change his harsh punishment,
And to set young Sathya free,
In this way he might be
Released as well as He.

So the teacher told Sathya, "Step down from the bench,"
In a voice laced with despair,
And lo and behold at that instant he found,
That he was released from the chair,
By admitting that it was unfair
For Sathya to stand up there.

These pranks of Sathya were meaningful,
Wondrous, amazing and sweet,
For the good of the world He would do each thing,
And also to give us a peak,
Of the great and Divine mystique
And His Avatarhood complete.

One day when Sathya was very young,
He and a few of His friends
Where invited for sweets and some afternoon tea
By a woman of evil intent.
With her poison filled cookies in hand,
She tried to cause Sathya's end.

He vigorously ate all the poisonous snacks,
That she handed Him, one at a time,
He smiled at her eating every last one,
And did not show any ill sign.
His smile was sweet and sublime,
But He left in a very short time.

**This jealous woman followed Him unseen,
To the house of Subamma nearby,
But to her horror and to her great surprise,
Young Sathya did not fall and die.
Instead He threw up close by
So in fear she started to cry.**

**He vomited up all the poisonous snacks,
Once more they were whole and complete,
As if they had never been eaten at all.
The woman turned white as a sheet,
As fear made her jealous heart beat,
So she fell at young Sathya Sai's feet.**

**He smiled and forgave her instantly,
As she lay crying on the floor,
So now she knew beyond the slightest doubt,
He was true Love to the core,
Soon the jealous hate she bore
Dissolved right there on the floor.**

CHORUS

**Shirdi Sai Baba
Appeared at first,
Now Sathya Sai Baba is here!
Prema Sai Baba will be the third
Incarnation of the Sai Avatar!
There is no need to fear,
He's right here!
Sri Sathya Sai Baba, so dear,
Oh so near, so DEAR!**

**She soon became the most ardent devotee,
Until the day that she died,
The Lord works in strange and mysterious ways,
To bring close to His side,**

**Making sure His pure Love will guide
Our hearts to open wide.**

**Young Sathya materialized objects for all,
And filled each heart with joy,
Some village folks felt that black magic was used
And called it an evil ploy,
That could easily destroy
Their village and the boy.**

**In hushed tones they talked about Sathya's deeds,
Some called it the Devil's sign.
A few of them thought that He might be possessed
By Demons who torture mankind,
Instead of Him being Divine
And sharing God's Love sublime.**

**So His parents were consulted to find a way
To save young Sathya Raju,
They worked with the village priests for a while,
Who tried everything they knew,
But there was nothing they could do
To change sweet Sathya Raju.**

**So a fierce Exorcist was called
To drive out the devil in Him,
But how can one drive out true Love from the heart
That's never known even one sin?
Cruel acts were forced on Him
But Sathya endured each thing.**

**Kalikam, a strong acid was rubbed in His eyes,
Made His face swell in terrible pain,
His scalp was cut open and salt rubbed in,
But everything was in vain,
Peaceful the boy would remain,
Even-minded He stayed the same.**

**"You can't drive out devils where only God lives,"
Young Sathya Raju would say,
"How can you free me, who's always been free?"**

**In Bliss I spend every day,
Only Love has made Me stay
And accept your tortures this way!"**

**After three days His parents could no longer stand
To watch all this cruel abuse,
So they rushed Him away from this Exorcist
And told everyone the news
That exorcism was of no use,
It was just too much abuse.**

**Soon everyone accepted the blatant facts,
That Sathya was strange, but Divine,
When at age thirteen He announced to all,
That now it was finally time,
And to show to all of mankind,
This Full Avatar's true sign.**

**One night after sunset, while still at school,
With friends He crossed the field,
When a deadly black scorpion stung His foot
His fate appeared now to be sealed,
As He cried out and then He kneeled
And to one of His close friends appealed.**

**"Here take my Shakti!" He said as He fell,
And His friends all cried afraid,
But suddenly one could materialize
Vibhuthi, which now he made
While the others prayed
And one boy ran to get aid.**

**For days young Sathya lay hovering,
Somewhere between fever and pain,
But when consciousness was again complete,
His manner was not the same.
Soon He started to proclaim
That He had come again.**

**It was the 20th day of October by then,
The year was 19 hundred 40,**

**When young Sathya Raju declared to all
His Divine Destiny,
That soon the world would see
And know God's majesty.**

**So they asked who he was, and why He had come,
Some thought He was insane,
So He tossed some flowers high into the air,
Where they swirled like a rainbow flame
Until they fell down like rain
And spelled out SAI BABA's name.**

**"I am Sai Baba, and now I must go
My devotees wait for me,
Foe Dharma, for Love and for their sake I've come,
So the world can clearly see
That Creation's diversity
Is ONE in reality."**

CHORUS

**Shirdi Sai Baba
Appeared at first,
Now Sathya Sai Baba is here!
Prema Sai Baba will be the third
Incarnation of the Sai Avatar!
There is no need to fear,
He's right here!
Sri Sathya Sai Baba, so dear,
Oh so near, so DEAR!**

**Sri Sathya Sai Baba now guides us all,
Heals the sick, the lame and the blind,
He brought back the dead a number of times,
He's the Mother of all mankind,
No greater Love we will find,
He knows each heart and each mind.**

His "Warriors of Light" He called early on

To spread forth His message of Love,
So that all true yearning hearts could find
The quick way to partake of,
And consciously be part of
His omnipresent Love.

His sacred ash, called 'Vibhuthi' today
His gift and reminder to all,
From dust things arise and to dust they return,
Yet, awareness can watch it all,
"Love all!" is Sai Baba's call,
"Serve all!" His message to all.

Many Schools and Hospitals that are free to all,
Sai Baba has built everywhere,
These selfless examples of Service and Love,
They show this world how to care,
How to serve, to love and to share,
And to act like God if we dare.

The most spectacular Hospital has been built
On the outskirts of Puttaparthi,
Like a mother it stands with outstretched arms,
To greet the sick and needy,
And in selfless charity
Works to heal them all for free.

All the miracles that anyone could think of,
Sai Baba's preformed, it's true,
But the greatest miracle of them all
Is His Love for me and for you,
And the rest of Creation too,
No matter, where, when, what or who.
Since the dawn of Creation, all knowledge is HIS,
All sciences He knows complete,
All the treasure of this world and heaven as well,
Can be found, right here, at His feet,
It's Love that makes each heart complete,
It's the power that none can defeat.

Whatever we ask for, from GOD, in our prayers,

Sai Baba can give and fulfill,
But He only gives us what's best for us,
To help clear the old Karmic bill,
So, now we must learn to be still
By trusting in His Divine Will.

He asks everyone, "Tell me, what do you want?"
Give your pain and your sorrow to me,
I'll fill up your hearts with Love and with Bliss,
'Till despair ceases to be,
Look deep in your heart and see,
That you have always been free.

In the last 30 years, many millions have come
To meet Sathya Sai face to face,
Every day He gives Darshan to those who come,
He showers us all with His Grace,
Sit silent after He leaves the place
Then you'll feel His Cosmic embrace.

Sri Sathya Sai Baba keeps telling us all,
That we are the same as He,
But He knows His true Self and we do not,
That is the mystery.
So know your True SELF, and see
Our eternal reality.

The mind is the prison that keeps us bound,
To life and death and to pain,
Liberation is Freedom from Ego and Mind,
Detachment will show you the game,
Separation creates form and name.
The Truth is, we are all the same.

The inner Guru, the God, in your heart,
Who guides each and every one,
He is that awareness behind everything,
He is that constant One,
Who nurtures all like the sun,
'Till illusion's games are done.

**Be inclusive and share, see all as the SELF,
Do without the desire for gain,
Know that all is that One, the Creator of all,
And in silence try to remain,
In the "NOW" we then can reclaim
Our True SELF, beyond form and name!**

**Learn to be just the witness of everything,
The world, your body, your mind,
Give up your desires and attachments to all,
Then your True SELF you will find,
This ONENESS beyond the mind,
It's AWARENESS, the endless kind.**

CHORUS

**Shirdi Sai Baba
Appeared at first,
Now Sathya Sai Baba is here!
Prema Sai Baba will be the third
Incarnation of the Sai Avatar!
There is no need to fear,
He's right here!
Sri Sathya Sai Baba, so dear,
Oh so near, so DEAR!**

**Sathya Sai Baba will be with us for 96 years this time,
Until the year 2022. He has promised that 8 years later
He will come again and raise the curtain for the 3rd and
Final Act as PREMA SAI BABA.**

**He will be born to conclude His Divine Drama,
His Divine Song of Love,
***** His PREMA SAI GITA *******

**Prema Sai Baba will be born somewhere,
Near Mysore, so they say,
In South India by two pious souls,
Born to serve God in this way.
They'll act out their part in His play
And be Prema Sai's parents that day.**

**Sai's color of skin will be lighter this time,
His face will look gentle and fair,
A small dark beard will outline His jaw,
Shoulder long will be His hair,
His eyes will sparkle and share,
God's eternal Love everywhere.**

**He will travel the world extensively,
The ultimate Truth He'll reveal,
He'll give us the tools to attain the Supreme,
The ego's fate He will seal,
Each loving heart He will steal,
His message to all will appeal.**

**He will come to the West and teach us the Truth,
That we are the ONE God indeed,
He'll prove, that by knowing who we truly are,
We will have no further need
Of desire, attachment and greed,
We're the ONE who's forever complete.**

**The hearts and the minds of the Western world
Will be touched by Prema Sai,
He'll merge God Knowledge of East and West,
And that will rectify
The first big ego lie
Mankind's been living by.**

**Separation and foolish dark fear of death,
Prema Sai will soon erase,
He'll show us, we are the immortal 'I'**

As we merge in His loving embrace
His Love will burn every last trace
Of ego, of time and of space.

His words will caress and silence the mind
Until every heart can hear,
That Love is the easy way to regain
Your God-Self, which is right here,
As close as yourself and as dear,
So, there is no need to fear.

When dark fear of death is fully destroyed
By the Light of Truth from within,
And the knowledge of SELF,
The "I AM" is attained,
Then the SELF will be seen as Him,
The ONE that has always been
The "I AM" which is everything.

Constant wanting makes us slave to birth and death,
To sorrow, to ego, to mind,
It makes Karma for us all by attachment to things
And makes us continually blind,
Until the moment we find
That there is truly no mind!

His Divine Mother Love will transform man's hate
Into tolerance, patience and joy,
His tender concern will change worry and fear
Delusion's crafty old ploy,
Greed He will soon destroy
And He'll fill all hearts with joy.

This idea of "mine" and separateness
Is illusion, a dream, it's a lie,
The only true owner of everything,
Is God, the eternal "I"
He's the earth as well as the sky,
So, see the ego's big lie.

Now give up this sense of "me" and "mine

**This cause of of sorrow and pain,
Instead perceive that all is ONE,
Let only "I AM" remain,
Focus on it and reclaim
Your True SELF behind the game.**

**Prema Sai will show us the true way to live,
And share this Love that we are,
As God of Creation, the AWARENESS of all.
We are Bliss, we are Light, we are Star,
We are Love, we are SAI, YES WE ARE!!!
Forever we simply ARE!
His Love will melt even the coldest heart,
With one tender look from His eyes,
His gentle caress will release your soul
And lift you to paradise.
He'll enrapture even the wise,
He's our True SELF in human disguise.**

**Contained in SAI our eternal SELF
Is all of Creation that IS,
Yet, everything in it is also the SELF
Which appears as all of this.
Know that nothing is ever amiss,
We are BEING - AWARENESS - and BLISS!!!**

**So now dear SELF, dear Warrior of Light and Love,
RIGHT NOW is the time for us all to BE that LOVE,
And act as our GOD-SELF!
