If **Yes**, please describe medication and dosage:

Medication: _____ Dosage: _____

Medication: _____ Dosage: _____

If medication needs to be taken at camp, please provide guidelines if you need help with administration:

LIABILITY AND MEDIA RELEASE:

I, the undersigned, agree to hold harmless the Wenas Mammoth Foundation, its Board of Directors, and volunteers, Haywire Outfit Inc., Bronwyn, and Doug Mayo, of all liabilities know or unknown that may occur during the course of the scheduled WMF Paleontology, Archaeology, and Geology Summer Day Camp. I am aware that natural and manmade hazards may be present in the outdoor classroom environment and that I will be spending the day on Haywire Outfit's property. I am aware that I will be handling materials and equipment commonly found in gardens and unmanaged landscapes, such as soil, sand, water, insects, plant materials, animal bones, animal teeth and rocks, but not limited to these materials only. I accept all responsibility for the activities performed during the program. Photographs will be taken at the Wenas Mammoth Foundation showing campers and staff involved in activities. These may be used by the Wenas Mammoth Foundation for promotional, informative, and educational purposes.

PHOTOGRAPHS WILL BE TAKEN DURING THE CAMP THAT WILL BE UTILIZED TO MARKET OUR EDUCATIONAL PROGRAM TO THE PUBLIC AND TO VARIOUS FUNDING SOURCES.

POLICIES AND PROCEDURES

Thank you for your interest in our 2024 WMF's Paleontology & Archaeology Summer Day Camps. We are looking forward to the upcoming season, and excited to share knowledge about local earth science, archaeology, paleontology, and local geology. Please read the following information, sign, and return this document, the Health and Registration Form, the Medical Administration Authorization Form to the Wenas Mammoth Foundation before the begins.

The Wenas Mammoth Foundation's goal is to get adults and youth excited about local earth science, paleontology, archaeology, geology, inspire curiosity and develop critical thinking skills from evidence discovered. The camp will consist of classroom presentations, as well as hands-on activities in the field and in the classroom. Topics covered will include:

- History of the Wenas Mammoth Dig Site
- Bringing the methods of local paleontology, archaeology, and geology into the classroom
- STEM learning opportunities in local archaeology, paleontology, and geology
- Career opportunities in the fields of archaeology, paleontology, and geology
- Curriculum, lesson plans and resources that meet STEM and the Next Generation Science Standards are available to teachers

Camp Environment

The WMF's camp is held at the Wenas Creek Mammoth Dig Site. This is a primitive site, as it does not have indoor restrooms or an air-conditioned facility. During outdoor activities, campers may encounter sunshine and summer temperatures, dirt, dust, rain, wind, sagebrush and other vegetation, insects, reptiles, and animal bones. Please take this into consideration when enrolling. Please note the following:

- WMF will provide a portable outhouse, water/soap for washing hands and hand-sanitizer.
- WMF will provide shade, outdoor tent classroom, as well as an outdoor educational area.
- Campers are required to provide the following: lunches, beverages, sunscreen, disposable face masks, goggles, insect repellent, Chapstick, clothing for outdoor activities (in all types of weather conditions), including wide brim hat, jacket, light cotton shirts/blouses that cover arms, garden gloves, and closed toe shoes. **Tank tops, shorts, and sandals are not allowed.** When packing lunches, please avoid peanut products, as some campers may have peanut allergies.

Cancellations and Refunds:

If you need to cancel your registration for the WMF's Teacher STEM Paleontology, Archaeology, and Geology 2-Day DayCamp for any reason, please contact ESD105 immediately. If the session is cancelled less than 10 days, no refund will be given. Exceptions for medical or family emergencies with documentation will be honored.

The safety of our campers and staff is top priority of the Wenas Mammoth Foundation. The Wenas Mammoth Foundation reserves the right to terminate a camper's enrollment if the camper does not follow the rules or directions of the camp instructors or volunteers, threatens, or harms another camper, instructor, or volunteer, or purposely damages or steals any of the facilities teaching materials, supplies, or displays.

I, _____ the adult camper, understands and accepts the policies and procedures of the WMF's Teacher STEM Paleontology, Archaeology, and Geology 2-Day DayCamp.
