WE ARE PLEASED TO OFFER YOU THE OPTION OF
PURCHASE WITH VISA OR MASTERCARD

Welcome to sale #16

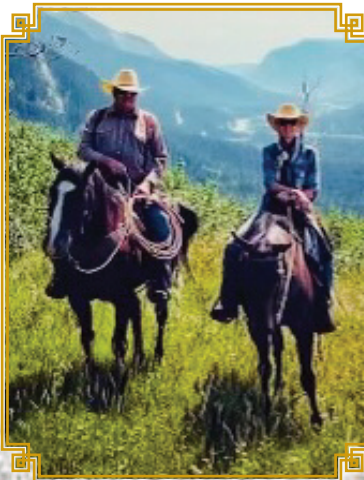

Wow what a year for cattlemen. Steer prices continue to rise. Bred cattle are selling great and salvage value on opens and culls has stayed strong.

We are offering fewer bulls than normal, but quality is strong and our program has not changed. All bulls have been semen checked, tied, worked with a horse, quad, or foot.

Marilyn I and our family are very thankful to all our customer's and friends who continue to support us.

Please join us on Thursday February 6th for Randy's prime rib dinner. Videos will be on-line mid January. Visitors are welcome anytime, the cattle are in the yard and the coffee is always on!

Cal & Marilyn

Carlrams Commercial Bred Heifers Pens

Carlrams Ranching will have pens of Bred Heifers available sale day.

- 5 Baldie Bred Heifers
- 5 Red Brockle Face Bred Heifers
- 5 Hereford Bred Heifers

They were exposed to a Red Angus bull from June 20 to August 10, 2024.

It sure is nice to see and hear from fellow cattle producers that they are getting rewarded with these good prices, exciting times are here in the cattle business and anyone who is still able to hang on and get on with the hard times to benefit from that — my hat's off to ya'.

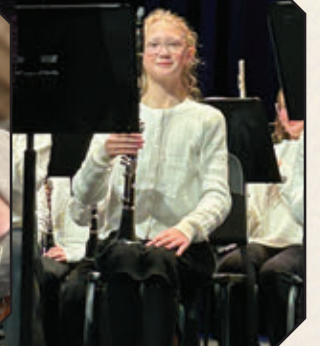

We have a nice selection of 30 bulls on offer in our section. They are all out of extremely sound, productive cows and proven home raised bulls. They've been developed on hay and oats and they've been doing well. I've had the kids help pail feed the bulls and they are a very quiet group of bulls. They've been exposed to whatever 4 kids can throw at them during chores.

I'd like to mention that we have another 6, 73B sons that we used on our own heifers this past season. They are not in the catalogue but available to purchase via private treaty.

With that, I'd like to invite you to come to the bull sale and by all means stop by and tour the cows, see the bulls — coffee is always on.
