## **PRIVATE INVESTIGATION EXPERIENCE**

Obtained a Washington State Private Investigator license in January 2022. Cases to date include homicide, accident investigation, fraud, and surveillance.

## **LAW ENFORCEMENT EXPERIENCE**

### **CAREER OVERVIEW**

RESERVE DEPUTY SHERIFF, CONTRA COSTA COUNTY SHERIFF (CA)                      OCT 1999 – MAR 2001  
Assigned to detention and patrol divisions in an assistance capacity.

DEPUTY SHERIFF, CONTRA COSTA COUNTY SHERIFF (CA)                      MAR 2001 – DEC 2012  
Accident investigator, certified in reconstruction, lead investigator major accident team, field training officer, motorcycle officer, search warrant entry team, vehicle theft task force.

DEPUTY SHERIFF INVESTIGATOR, PLACER COUNTY SHERIFF (CA)                      DEC 2012 – FEB 2021  
Detective assigned to investigate all manner of crime. Major accident team, marine patrol officer, accident investigator, and search and rescue management.

### **ACCIDENT INVESTIGATION EXPERIENCE**

Responsible for investigating accidents as part of uniformed patrol duties. July 2007 through December 2012, assigned as a traffic enforcement officer and accident investigator.

Participated in the investigation of several hundred vehicle accidents. Lead investigator for approximately 25 major injury or fatal accidents and served in a support investigator role in approximately 50 other major injury or fatal accidents.

2007 through 2012, member of the county's multi-jurisdictional major accident response team, eventually obtaining a lead investigator position. Responsible for mapping evidence at officer-involved shootings. Responded to approximately 10-15 officer-involved shooting scenes and assisted in those investigations, at times, providing opinions on evidence located at the scene.

Served on a second major accident callout team.

Experience includes auto/auto, auto/pedestrian, auto/motorcycle, auto/commercial vehicle, and solo vehicle accidents. Many of these accidents required forensic mapping, reconstruction

(skid mark analysis, speed from crush and/or momentum, data recorder download and interpretation, CAD mapping, etc.), and court or deposition testimony.

Qualified as an expert witness in accident reconstruction and forensic mapping in California Superior Court.

### **CRIMINAL INVESTIGATION EXPERIENCE**
