October Board meeting minutes were reviewed and approved with a motion from Straus supported by Ross.

October Financial statements were reviewed and approved with a motion from Jaeschke supported by Straus.

Tanya informed the board that the installation of the flooring in the back room of the main branch will be contracted by the same gentleman that did our roof repairs. He has also assessed the front entry to make the necessary improvements there.

The back doorstep of the main branch has been improved by bringing the blacktop up to meet the threshold of the door. This eliminated the step, providing a smoother entrance for wheelchairs and/or hand trucks (deliveries etc).

Meeting adjourned at 7:40
