

A Perfect Location Entertainment

Another benefit offered by **A Perfect Location** is its proximity to local music venues. Most area music venues offer entertainment (in season) every evening from 6 – 9 pm. The OBX is blessed with numerous highly talented local musicians; several of whom are members of well-known rock bands! Many of these musicians play locally when they're not travelling with their more prominent band. In addition to music, there is a well-established local community theatre and a comedy club. Of course, there is a multi-plex theater and several mini-golf options.

For music, there are numerous options travelling south to Kitty Hawk, Kill Devil Hills, Nags Head, and Manteo. In season, most venues are open air and very child friendly. The nearest venue is Art's Place; less than 5 miles south on Virginia Dare Drive. In addition to regular professional entertainment, Art's offers an open mike night every Wednesday.

Music options in Duck include Aqua (beautiful sunsets), Roadside, The Tap Shack (large outdoor venue, child friendly, with table food service), Sweet T's, Blue Point, Village Table and Tavern, also most restaurants, even if not mentioned here, offer live entertainment on selected evenings.
