

A Perfect Location Sunset Viewing Deck

A Perfect Location is just that for catching fabulous sunrise and sunset views. Of course, the front deck is a great place to catch a glorious sunrise or take a short walk to the beach and enjoy sunrise with the music of the ocean waves and gentle breeze in your hair. You can also take a short walk to enjoy amazing sunsets over the Currituck Sound.

To walk or bike to the viewing area, take a left out the driveway and walk to the top of the hill. Just beyond the tennis courts, you'll see a path to the right leading down the hill to the sound. At the end of the path is North Dogwood Trail. Go straight across North Dogwood and follow the path to the viewing platform. To the right of the platform are stairs leading to the Sound. Relax and enjoy!
