

A Perfect Location Seafood and Barbeque

No trip to **A Perfect Location** is complete without sampling North Carolina's abundant fresh seafood and barbeque.

Fresh North Carolina seafood is available from most area restaurants. Many, including the nearby Cravings in Duck, offer a "steamer pot", a traditional North Carolina dish. Recommended by Guy Fieri, the Outer Banks Seafood Pot includes Local Shrimp, Oysters, Clams, and Crab with Smoked Sausage, Potatoes, Corn on the Cob, Butter, and Cocktail Sauce.

Local cook-at-home shrimp and crabs are available in season. North Carolina oysters are now available both in season and out due to the growth of oyster farming in NC. The nearby grocery stores sell local seafood as available. The nearest seafood market is Carawan Seafood Co Inc. located near the Harris Teeter. A short drive away on Colington Road, Kill Devil Hills is Billy's Seafood Market offering a large variety of seafood and Endurance Seafood offering fresh off the boat shrimp and crabs. If you're up for a longer drive, the Wanchese Marina is host to Fresh Catch Seafood and O'Neal's Seafood.

Great North Carolina barbeque is also available at most local restaurants. If you're looking for a great meal at **A Perfect Location**, High Cotton is nearby and available for both eat-in and carry-out. It is conveniently located across the street from the Hilton Hotel.

To get to High Cotton, turn right out of the driveway and proceed to the traffic light. Turn right onto Duck Road (NC 12). Proceed to the light at the intersection of Duck Road and Virginia Dare Drive and turn left. High Cotton is a short distance on the right, immediately across from the entrance to the Hilton.
