

HEALTH AND SAFETY POLICY

Sunrise Early Years and Childcare Limited believes that the health and safety of children and nursery practitioners is a matter of paramount importance. Sunrise Early Years and Childcare Limited has developed procedures and safe practices to ensure children's health and safety is maintained, promoted, and prevent the spread of infection. Nursery practitioners are committed to providing a safe, healthy environment where children can learn and develop. Practitioners work closely with parents and health care professionals (speech therapists, doctors) to ensure all children access nursery facilities safely.

Procedure

In order to ensure the nursery maintains a high standard of health and safety the nursery has developed the following procedures that all nursery practitioners follow:

- Fire evacuation procedure
- Toilet and nappy changing procedures
- Sickness policy and procedure
- Medication policy and procedures
- Procedures for the arrival and collection of children
- Lost child procedure

A more detailed Sunrise policies can be accessed upon registration and admission of a child into the nursery.
