ABOUT THE CONFERENCE

Why should you sponsor a regional conference?

The University of Florida (UF) will be holding a regional student conference in coordination with the American Institute of Chemical Engineers (AIChE) from March 3rd to 5th. We would appreciate your donation in order to fund the many events we plan on running at the conference. We also invite you to volunteer to help run these events. Here is a breakdown of what we have planned for AIChE's 2023 Southern Regional Student Conference:

- 1. Chem-E Car Competition**
- 2. Chem-E Jeopardy**
- 3. Poster Competition**
- 4. Graduate School and Career Fair**
- 5. Industry Tours**

MAIN EVENTS

1. CHEM-E CAR:

The Chem-E-Car Competition challenges students to design and race small-scale cars powered by chemical reactions. Teams present their design with a poster, and their cars are judged for multiple aspects of their work. Winning teams advance to the Annual AIChE Student Conference Chem-E-Car Competition.

2. CHEM-E JEOPARDY:

Chem-E-Jeopardy allows school teams to compete against each other in a game of Jeopardy that utilizes questions from chemical engineering undergraduate coursework. Winning teams advance to the Annual AIChE Student Conference Chem-E Jeopardy competition.

3. POSTER COMPETITION:

The poster competition gives students the opportunity to present undergraduate research. This allows them to engage questions from experienced judges and gives the opportunity to earn recognition for their work.

MAIN EVENTS

4. GRADUATE SCHOOL & CAREER FAIR:

Fairs allow students to network with representatives from different companies and graduate schools to discuss internships, co-ops, full-time positions, REUs, and graduate school admissions.

5. INDUSTRY TOURS:

Industry tours allow students to gain behind-the-scenes knowledge about companies applying chemical engineering in the Gainesville area. We are currently in contact with a local specialty chemical manufacturing company to schedule tours of their facility during the conference.

ADDITIONAL EVENTS

- Senior Mixer
- Diversity and Inclusion Seminar
- Resume Workshops
- Technical Talks
- Speakers
- Presidents' Breakfast
- Social Events

SOUTHERN REGION UNIVERSITIES

CLEMSON UNIVERSITY

FLORIDA INSTITUTE OF TECHNOLOGY

UNIVERSITY OF SOUTH CAROLINA

POLYTECHNIC UNIVERSITY OF PUERTO RICO

NORTH CAROLINA A&T STATE UNIVERSITY

AUBURN UNIVERSITY

NORTH CAROLINA STATE UNIVERSITY

TUSKEGEE UNIVERSITY

CAMPBELL UNIVERSITY

UNIVERSITY OF SOUTH ALABAMA

TULANE UNIVERSITY

UNIVERSITY OF NORTH ALABAMA

UNIVERSITY OF LOUISIANA, LAFAYETTE

UNIVERSITY OF ALABAMA, HUNTSVILLE

LOUISIANA STATE UNIVERSITY

UNIVERSITY OF ALABAMA, TUSCALOOSA

LOUISIANA INSTITUTE OF TECHNOLOGY

UNIVERSITY OF MISSISSIPPI

UNIVERSITY OF KENTUCKY, LEXINGTON

MISSISSIPPI STATE UNIVERSITY

UNIVERSITY OF LOUISVILLE

GEORGIA INSTITUTE OF TECHNOLOGY

UNIVERSITY OF KENTUCKY, PADUCAH

VANDERBILT UNIVERSITY

UNIVERSITY OF FLORIDA

TENNESSEE TECH UNIVERSITY

FLORIDA STATE UNIVERSITY

UNIVERSITY OF TENNESSEE, KNOXVILLE

FLORIDA A&M UNIVERSITY

UNIVERSITY OF TENNESSEE, CHATTANOOGA

UNIVERSITY OF PUERTO RICO

CHRISTIAN BROTHERS UNIVERSITY

UNIVERSITY OF SOUTH FLORIDA

TIER BENEFITS

PLATINUM

- Larger size name on AIChE Conference t-shirts
- 1 hour room access for company networking event
- In addition to all Silver and Bronze benefits

GOLD

- Standard size name on AIChE Conference t-shirts
- 30 minute room access for company networking event
- In addition to all benefits below

SILVER

- Free table at graduate school & career fair
- Access to “Resume Database”
- Acknowledgment in the Chemical Engineering Department Newsletter
- In addition to all benefits below

BRONZE

- Basic Advertising
 - Name on conference welcome banner
 - Name on conference website
 - Name on all flyers
- Social media shout out
- Acknowledgement in AIChE Chapter Newsletter
- Reduced table cost at graduate school & career fair (\$50)

Friends- for friends/ family supporters

- If requested by donor, then a thank you post can be shared on AIChE social media

SPONSORSHIP TABLE

Tiers	Bronze	Silver	Gold	Platinum

HOW TO SPONSOR

Scan here to donate now!

ONLINE OR CHECK

Disclaimer: To receive recognition as a conference sponsor, the name of the donating party must be indicated.

Online:

1. Access UF AIChE Website at:
<https://www.che.ufl.edu/aiche/>
2. Select “Donate Now” button on Home Page.
3. Select or manually enter desired donation amount.
4. Enter required Personal Information/ Credit Card Information.
5. In “Comments” be sure to indicate if you would like this donation to sponsor a specific event. Please also designate how much of the donation you would like to go towards sponsoring UF AIChE's student chapter versus how much you would like to go towards sponsoring the Regional Student Conference.

Check:

1. All donations given in the form of a check should be sent to P.O. Box 116005, 1030 Center Drive, Gainesville, FL 32611, Attention: Ricky Whitney
2. Checks should be made out to “University of Florida Department of Chemical Engineering”.
3. In addition to the check, please attach an “Intent to Sponsor” letter, which details how much of the donation you would like to go towards sponsoring the UF AIChE student chapter versus how much you would like to go towards sponsoring the Regional Student Conference. If you would like to sponsor a specific event at the conference, please include that information in the letter of intent as well.

MERCHANDISE

BEYOND DOLLARS

UF AIChE accepts sponsorship efforts beyond those that are purely monetary. If your company has any merchandise that they would like to send as material for conference giveaways, then we would be ecstatic to share your company's name with the many students that would receive these prizes.

Merchandise could include anything from stickers to t-shirts. If this interests you, please contact us at one of the emails listed at the end of this document.

STUDENT CHAPTER SUPPORT

AIChE at the University of Florida is a pre-professional student chapter of the American Institute of Chemical Engineers. We are a student-run, non-profit organization that strives to promote networking and foster technical skills for the continued advancement of ourselves, our university, and our community. UF AIChE has always prided itself on being the oldest and most popular Chemical Engineering organization at the University of Florida. We have approximately 150 members and have been successfully increasing member involvement each year.

With your help, UF AIChE can continue to grow our organization to offer programs that build nationally recognized leaders in Chemical Engineering. In addition to sponsoring the regional conference, we would greatly appreciate your support of our student chapter.

For more information about donating, please see our:

THANK YOU

With your donation, we will be able to provide the funds needed to make this conference memorable, impactful, and above all, successful. With your support, we will show visitors the values and culture of our beloved Gator Nation, a top 5 public state university.
