Take a deep breath

Impressions leave traces

Inspired by the beautiful things of the world, we create your kitchen living space.
Individual, unique and impressive.

Our kitchens swing they flirt with you, they make you forget the usual daily life.

How does it work? By traditional joiner craft, led by our hand. By creativity, that show our craft the way,
out of the love for our work.

Mine and unique - the world of kitchens as individual as you

Are you a hunter or a collector? Survivor or pragmatist?
Every human being needs living space where he can fulfil himself. If you reject prefabricated forms for your life, then you are at the right place with us.
We produce high quality kitchens according to your expectations. The great variety of combination possibilities knows no bounds. The high-grade equipment, five years warranty for all furniture and the ergonomic height grid are just some of the features that shall show you what we mean by quality. Who ever wore a suit made to measure will never again reach for ready-made clothing

Nostalgic kitchen buffet. Extravagantly lined with pilasters and cornice. The ideal kitchen assistant for the preparing and cooking of your favorite recipes.

Copper stone

CO210

An amazing visual and textural experience by this physic - defying stone kitchen project. Creating a feel of weightlessness by a visual illusion of suspended main block of the kitchen island. The design idea entwines the shimmering surfaces of the real **multi copper** stone veneer.

1 | **Copper stone C0201**

This harmonious dialog between the materials **sliver shine gold** gives a unique character to the design creation in addition to the breathtaking riches of textural impact when real materials are used.

2 | **Copper stone C0205**

A tendency we have observed on the world's design scene and brought to your attention in this mineral natural **copper stone** trend.

2 |

Pearl stone

PE302

Giving the kitchen a central role of the spatial arrangement and connecting it with the rest of the social areas means that its design is essential for the final composition. This kitchen with her natural **green pearl stone** is aesthetics and stylish as look are tied up with the rest of the design composition as stylistics.

Outlook of the interior design, the designers' choices and general situation are a bit more complicated because the kitchen must be not only stylish and artistic, it needs comfortable movement and work, to be suitable and material-proofed for great variety of delicate activities. So, contemporary kitchen design ideas and materials must combine stylish aesthetics with durable and functional finishes and material choices.

Galaxy stone

GA905

Using luxurious materials combinations of **multi grey stone**, the designers creating well-balanced kitchen's, where aesthetic and functional parameters blend in harmony to compose an atmosphere of convivial comfort.

1 | **Galaxy stone GA908**

This harmonious dialog between the materials **sliver shine gold** gives a unique character to the design creation in addition to the breathtaking riches of textural impact when real materials are used.

2 | **Galaxy stone GA900**

Facing the challenge of modern lifestyle, which requires the kitchens to be simultaneously, functional workhorses and stylish entertaining hubs into time spirit with an artistic and unique solution for both needs. The alternation of materials and the interplay of natural stone as shows with **california stone gold** sophisticated the kitchen design.

Organic and functional - life is a perfect system

Everything you don't see at first is mostly what attracts your attention after all. The heart of every high-quality kitchen is the technical building up. If you look behind the facades of our kitchens, you will see why our kitchens are companions of generations. It's the technique. Refined lighting system confer a unique shine on the kitchen, high-quality, robust metal fittings, adapted grids for the fitting and rebuilding of every division for drawers and pull-outs allow us to dance to every rhythm of life.
