*I, Coach T, proud owner of Harvest Ydentity Powerhouse obtained my coaching certification by way of the Dharius Daniels Certification Program. My skillset has afforded me the opportunity to become a trained Facilitator for the non-profit organization "The Well", to lead its 9-week W.O.M.B. program. My ability to use my voice has granted me opportunities to present in churches and corporate settings. As a Corporate Leader for Mecklenburg County ABC Board, I serve as liaison for our Food/Beverage and Hospitality customer base.*

*An aspiring author, I am, so...STAY TUNED. Communication excites me! Healthy communication is as beautiful to me as empowering others to define and discover themselves. In my "fun" time, I **LOOOVE** dancing, great music, DELICIOUS FOOD, and making memories with my loved ones. I anticipate living life fully while supporting others as they do the same!!!*
