VULKOLLAN® load wheels

PEVOLON® heavy-duty castors

PEVOPUR® heavy-duty  
swivel castors

VULKOLLAN® heavy-duty  
swivel castors

Our wheels and castors for mobile stairs and docking systems have proven successful in the maintenance and production of aeroplanes throughout the world. They feature low starting and rolling resistance and make it easier to ensure precise positioning. High load capacities are possible through the use of high-quality wheel material.
