# WELCOME

Welcome to our 2022 Production Sale. The prediction of higher prices for 2022 came true, but I feel this is just the beginning of better markets. With massive cow liquidations from drought and other factors and lower heifer retention, it should be the perfect storm for better markets for several years. The beef packers have finally had to bid aggressively on these lower supplies and have had to cut their profit margins significantly.

We feel our seedstock offering will position you for this extended run of good markets. Again we have bought several groups of customer calves and some of these will be in our our outstanding bred heifer offering. It was a dry year but fortunately we had good fall regrowth on our farm fields and these heifers are in great condition. The heifers are bred to Casino Bomber with BW -1.5, WW +80, YW +132, Milk +28, and weigh over 1050 pounds.

We have been to several of our customer's deliveries and had good comments on the disposition and handling. This is a trait we have been working on for many years along with the performance and quality. We will winter the bulls and deliver them in the spring free of charge.

No new grandkids to report. However, Casey is taking leave of her dental practice to have her new one soon.

Again, we appreciate all our customers.

THANK YOU for the support and confidence in our program.
