WELCOME

Welcome to our 2020 Production Sale. What a year it has been with Covid 19 throwing a challenge at every turn. After the packing house shutdowns we are finally starting to get some better markets. If we could get some relief from the extreme profit margins by these processors we could really get rolling. Thankfully we have vaccines that are about to be released.

Last week our beef exports were at an all time high. The demand for beef is good and as producers we just need our share of the pie.

This years bull offering looks great and is consistent throughout the lineup. Our cull bulls were fed at Dinklage Feedyard in Ft. Morgan, Colorado and after 60 days in a grow yard they gained 4.66 lbs per day with a cost of gain of 69 cents/lb. The manager said they were the best performing calves in the 30,000 head lot.

The bred heifers have done well in spite of two bad storms this fall. Several groups are from bull customers as well as a nice home raised group.

We also are expecting two more additions to the family with Casey due in January and Courtney due in April.

We appreciate all our customers.

THANK YOU for the support
and confidence in our program.

The Jacobsens
