~ ~ WELCOME ~ ~

Welcome to our 2023 Production Sale. It was a perfect storm of higher prices and decent weather for the year. About time for everyone to get caught up and have a good year. With cow liquidation still going on we should be good for the foreseeable future as far as markets are concerned.

As a seedstock producer you are concerned, are we doing the right job for our customers. We bought a big string of 300 steer calves from GTW Ranch, a longtime customer and ran them on grass as yearlings. Then we fed them at Dinklage Fort Morgan. They gained extremely well in spite of a bad winter and we put them on the Angus America Grid at Cargill in Fort Morgan. The results were outstanding with a 65.3 dressing percentage and a 96.5% Choice or better quality grade. Final weight was 1580 pounds. Cory, The manager called the results the very top end of their 30,000 head feedlot. The bull offering should produce results like this.

The bred heifers are bred to Vermilion Leo, a Casino Bomber son that has EPDs of BW +0, WW +75, YW +122, Milk +23, a proven calving ease sire with decent growth. The heifers look great and will weigh close to 1100 pounds by sale day.

One new grand kid to report. Casey had a son, Lach, on May 10th. All are doing well.

Please feel free to call Conrad or myself with questions on the sale.

THANK YOU for the support
and confidence in our program.

The Jacobsens
