Thank you so much for coming! Your performance was great, and your testimony laid out the Gospel very clearly. The whole thing was very God-honoring. A 5th grade boy was there with the family that has been bringing him. He has no church background at all. He prayed the salvation prayer with you, and the mom that brings him was able to talk with him about it! How exciting! We certainly appreciate you and the gifts the Lord has blessed you with.
