

## Plants for Shady Areas

Are you trying to add more color to your landscape but have come across a shady area and aren't sure what to plant. Don't worry we have a list of perennials and shrubs that do well in shady areas so you can add some color to your yard without worrying about plants struggling from the lack of sunlight.

### Shade loving perennials

Many perennials love to be in the sun for at least half the day, but here are a few that love to be in the shade where it's cooler and the sun can't reach them. Here is a list of the shade perennials that

we carry here at Schalow's Nursery.

- Astilbe
- Bugbane
- Goats beard
- Coral Bells
- Foamy Bells
- Ferns
- Hostas
- Pigsqueak
- Lamium
- Ragwort
- Bleeding Hearts
- Hellebore (Lenten Rose)

### Shade loving Shrubs and Trees

Finding shrubs that don't mind being in the shade can be a bit difficult, but we have compiled a list of shade loving shrubs to help you add more color and variety to the shady areas of your landscape.
